ABOUT MUSC

The Medical University of South Carolina (MUSC) has served the citizens of South Carolina since 1824. It has expanded from a small private college for the training of physicians to a state university with a medical center and six colleges for the education of a broad range of health professionals, biomedical scientists and other health related personnel. The campus area is an 82-acre academic medical complex, with 150 buildings.

As South Carolina’s only comprehensive academic health center providing a full range of programs in the biomedical sciences, the Medical University of South Carolina is engaged in activities statewide. Its campus is located on more than 50 acres in the city of Charleston. The educational component of MUSC includes colleges of Medicine, Pharmacy, Nursing, Graduate Studies, Dental Medicine, and Health Professions. More than 2,700 students attend the University with approximately 800 graduating each year. The MUSC Medical Center consists of Medical University Hospital, Storm Eye Institute, Children’s Hospital, Institute of Psychiatry, the Ashley River Tower and Charleston Memorial Hospital. There are 709 licensed beds throughout these facilities.

MUSC employs more than 12,000 people and has an annual payroll of more than $535 million. It is one of South Carolina’s largest State agencies and also one of the largest higher education employers. Today, MUSC accounts for more than $2.3 billion in economic activity within the Trident area.

I. INTRODUCTION

The responsibility of the purchasing office of the Medical University of South Carolina is to procure quality goods and services and to maximize the value of the tax dollar. This guide contains information that you will need in order to do business with the University.

The State of South Carolina Consolidated Procurement Code governs university procurement policies and procedure.

The purchasing office is open for consultation with perspective vendors and sales persons, during regular offices 8:30 a.m. - 5:00 p.m., Monday – Friday. We are located at:

Harbor View Office Tower
19 Hagood Avenue, Suite 408
Charleston, South Carolina, 29425

An appointment to meet with a purchasing representative is required and may be scheduled by calling (843) 792-4521.

II. VISITATION

The Medical University of South Carolina administers a vendor pass policy in keeping with our security procedures. Vendors are required to obtain passes to visit departments for purposes of routine appointments, repair calls or deliveries on university property.
There are two types of vendor passes that the university issues:

1) TEMPORARY VENDOR PASS
The vendor representative must first contact the MUSC department to be visited to make an appointment. Once the appointment is made, a vendor pass must be requested through University Purchasing office. The Purchasing office will confirm the vendor representative’s appointment with the university department; upon confirmation the vendor pass will be prepared. The Purchasing office will then coordinate an appointed time and location with the vendor representative to pick up the pass.

In most instances passes being dispersed during regular business hours will be distributed from Suite 408 of the Harborview Office Tower, located at 19 Hagood Avenue, Charleston, South Carolina. Weekend and after-hour passes will be issued from University Public Safety, located at 101 Doughty Street, Charleston, SC, after verification has been received from the appropriate university official. A picture ID must be presented to receive your vendor pass.

A Temporary Pass is issued for a very short period of time, usually one day or less. The information displayed on the pass consists of the company’s name and address, the name of representative, location and telephone extension of the person the vendor is visiting on the MUSC campus. The company (vendor) representative MUST sign the pass request, which will be kept on file in the Purchasing office. The temporary pass is a throw away stick on label which can be disposed of at the conclusion of the visit.

2) CONTRACT VENDOR PASS
A Contract Pass is issued upon award of a contract and issuance of a purchase order (PO). The Purchasing Officer who issued the purchase order must sign the contract vendor pass. The pass may be for duration of 1 year or the university’s fiscal year. A copy of the Contractor Pass Request will be forwarded to Public Safety. Once Public Safety processes the request, the vendor will be notified to go to Public Safety to pick up the issued pass.

The pass displays the following information: (1) the wording 'CONTRACT VENDOR'; (2) name of the department requesting the vendor pass for which the service will be performed i.e., Purchasing; and (3) expiration date of the contract. Upon expiration of the pass, it must be returned to university purchasing for return to public safety.

While on MUSC campus the vendor pass must be visibly displayed at all times.

**Vendor passes issued by the University may not be used to access departments within the Medical Center.** The Medical Center maintains several Vendor mate check-in stations located throughout the campus where vendor representatives may access to print temporary badges.
III. PURCHASING POLICY AND PROCEDURES

It is the intent of the Medical University of South Carolina to procure and provide goods and services at the time and place needed, in the proper quantity, of the proper quality and at the best available price.

The University normally uses three types of procurement methods: Telephone quotations, written price quotations and competitive sealed bids or proposals.

The Medical University of South Carolina reserves the right to waive irregularities and informalities and to accept any bid or to reject any and all bids in the best interest of the Medical University and the State of South Carolina.

IV. GENERAL INFORMATION

In most cases, purchases must be approved by the purchasing office. Normally, shipments should not be made without receipt of the University purchase order and definitely not until a purchase order number has been provided. All invoices shall be referenced with the University purchase order number. Invoices must be submitted to the Medical University of South Carolina, Accounts Payable Department, P.O. Box 130010, Charleston, South Carolina unless otherwise directed. Any purchases that have not been approved by the purchasing office will be returned to the vendor at the vendor’s cost or may be considered a donation to the Medical University.

Some vendors may be interested in offering items to the University on consignment; the Procurement Office will consider such offers on a case by case basis.

All products for evaluation must have a valid University Purchase Order assigned for tracking and insurance purposes prior to delivery to the University complex. Evaluation products without assigned purchase order numbers WILL NOT be considered viable evaluations.

V. SHIPPING INSTRUCTIONS

All shipments must be shipped F.O.B. destination unless otherwise directed on the purchase order. All shipments must be directed to the location shown on the purchase order.

VI. MINORITY BUSINESSES ENTERPRISES

In accordance with Article 21 of the South Carolina Consolidated Procurement Code, the Medical University of South Carolina seeks to use the services of businesses owned by ethnic minorities and women and small businesses. To accomplish this goal more effectively, the purchasing office maintains and regularly updates a list of such businesses.

VII. RESIDENT VENDOR PREFERENCE (applies only in some formal solicitations)

D) has paid all duly assessed taxes.

If you wish to exercise the Resident Vendor Preference as defined, a claim must be completed and returned with your bid.

Effective July 1, 1994, Section 49, Appropriations Bill, Part II Amended, Code Section 12-9-310 (A) (2) (3) to eliminate withholding from payments to nonresident contractors and rental recipients if the nonresident is registered or registers with the SC Department of Revenue or the SC Secretary of State's Office. The nonresident must provide an affidavit to whomever they are contracting with to that effect. This information will be included in IFB’s and RFP’s. Note: Effective 2/96, Code 12-8-540 and 12-8-550 as referenced below.

The affidavit will be retained by the entity or persons letting the contract to the nonresident. In the absence of an affidavit being provided, withholding will be required (Contracts -- 2%, Individual/Partner Rental or Royalty Recipients -- 7% and Corporation Rental or Royalty Recipients -- 5%).

Forms to register for all taxes administered by the SC Department of Revenue may be obtained by calling the License and Registration Sect at (803) 737-4872 or writing the SC Department of Revenue, Registration Unit, Columbia, SC 29214-0140.

Code Section 12-8-540 requires persons making payment to a nonresident taxpayer of rentals or royalties at a rate of $1,200 or more a year for the use of or for the privilege of using property in South Carolina to withhold 7% of the total of each payment made to a nonresident taxpayer who is not a corporation and 5% if the payment is made to a corporation.

Code Section 12-8-550 requires persons hiring or contracting with a nonresident taxpayer to withhold 2% of each payment to the nonresident where the payments under the contract exceed $10,000 in any one calendar year who is conducting business or performing personal services of a temporary nature in South Carolina. Note: This section does not apply to payment on purchase orders for tangible personal property when those payments are not accompanied by services to be performed in South Carolina effective tax years beginning after December 31, 2000.

**PURPOSE OF AFFIDAVIT**

A person is not required to withhold taxes with regard to any nonresident taxpayer who submits an affidavit certifying that it is registered with either the South Carolina secretary of state of the South Carolina department of revenue.
TERM AND DURATION OF AFFIDAVIT

It is recommended that an affidavit be obtained from a nonresident taxpayer for each separate contract or agreement; otherwise, the affidavit submitted by a nonresident taxpayer shall remain in effect for a period of three (3) years, or for a lesser time if the person earlier receives notice of revocation of exemption from withholding from the South Carolina Department of Revenue.
