MINUTES
MEDICAL UNIVERSITY OF SOUTH CAROLINA
BOARD OF TRUSTEES MEETING
May 14, 2009

The Board of Trustees of the Medical University of South Carolina convened Thursday, May 14, 2009, with the following members present: Dr. Charles B. Thomas, Jr., Chairman; Mr. Thomas L. Stephenson, Esquire, Vice Chairman; Dr. Stanley C. Baker, Jr.; Mr. Melvyn Berlinsky; Mr. William H. Bingham, Sr.; Mr. William B. Hewitt; Dr. Donald R. Johnson II; Dr. E. Conyers O’Bryan, Jr.; Dr. Paula E. Orr; Dr. Thomas C. Rowland, Jr.; Mr. Charles W. Schulze; and Dr. James E. Wiseman, Jr. Absent: Dr. Cotesworth P. Fishburne, Jr.; The Honorable Robin M. Tallon.

The following administrative officials were present: Dr. Raymond S. Greenberg, President; Dr. John Raymond, Vice President for Academic Affairs and Provost; Dr. Jerry Reves, Vice President for Medical Affairs, and Dean, College of Medicine; Ms. Lisa Montgomery, Vice President for Finance and Administration; Mr. Stuart Smith, Vice President for Clinical Operations and Executive Director, MUHA; and Dr. Frank Clark, Vice President for Information Technology and CIO; Mr. Jim Fisher, Vice President for Development.

The following deans were present: Dr. Jack Sanders, College of Dental Medicine; Dr. Mark Sothmann, College of Health Professions; Dr. Jerry Reves, College of Medicine; and Dr. Arnold Karig, College of Pharmacy, Dr. Joseph DiPiro, SCCP; Dr. Gail Stuart, College of Nursing.

Item 1. Call to Order-Roll Call.

There being a quorum present, Chairman Thomas called the meeting to order. Ms. Celeste Jordan called the roll.

Item 2. Secretary to Report Date of Next Meeting.

The date of the next regularly scheduled meeting is Friday, August 14, 2009. The date of the Budget Meeting in Columbia is Friday, June 26, 2009.

Item 3. Approval of Minutes of the Regular Meeting of the Medical University of South Carolina Board of Trustees of April 17, 2009.

Board Action: It was moved that the Minutes be approved. The motion was seconded, voted on and unanimously carried.

RECOMMENDATIONS AND INFORMATIONAL REPORTS OF THE PRESIDENT.

OLD BUSINESS: None.

NEW BUSINESS:

Dr. Greenberg distributed a list of his activities since the last meeting. He commented on the number of international opportunities now available for the University. The opportunities are quite interesting and the University is working on developing those relationships.
Recommendations of Administration: That these reports be received as information.

Board Action: Received as information.

Item 5. Other Business. None

RESEARCH AND INSTITUTIONAL ADVANCEMENT COMMITTEE. CHAIRMAN: DR. COTESWORTH P. FISHBURNE, JR.

OLD BUSINESS: None.

NEW BUSINESS:

Statement: Dr. Lanier reported that extramural funding for the University through April 30, is still running ahead of this time last year. President Obama’s stimulus package over the past few months has been most time consuming. Through May 8, MUSC has submitted 181 applications for biomedical research with a direct cost of $41 million. Dr. Greenberg said this was unprecedented to get this volume of work done in such a short time. Everyone has certainly risen to the occasion.

Recommendation of Administration: That this report be received as information.

Recommendation of Committee: That this report be received as information.

Board Action: Received as information.

Statement: Mr. Fisher reported the University has received new gifts and pledges which puts the University about 30% ahead of where we were this period last year. The Capital campaign is about $292-293 million toward a $300 million goal. He noted Anita Zucker’s gift of $2 million, a portion of which is designated to support the Tanzania project Dr. Ellegala discussed earlier today.

Mr. Fisher reported that on May 1, the Dental Alumni Association met in Myrtle Beach and selected Dr. Coty Fishburne as the recipient of the Association’s honorary alumnus award.

The CODM will see its first class of students this fall. He proposed to provide the Board a private tour of the facility at the August meeting prior to occupancy. The official opening reception would be scheduled for late February to tie it into the CODM’s reunion activities. The Board agreed with that plan.

Recommendation of Administration: That this report be received as information.
Recommendation of Committee: That this report be received as information.

Board Action: Received as information.

Item 8. **General Report of the CEO of the MUSC Foundation.**

Statement: In Mr. Anderson’s absence, Mr. Fisher reported that the Foundation seems to be meeting benchmarks in spite of the economic downturn.

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Board Action: Received as information.

Item 9. **General Report of the Executive Director of the MUSC Foundation for Research Development.**

Statement: Mr. Chip Hood reported the Foundation is continuing its cost cutting measures while maintaining effective service to the University. He was pleased to report there will be a record number of deals this year between options and licenses and a record number of start-ups. Most of the companies the Foundation is working with are struggling due to the economy and they are also waiting to see what will happen with healthcare reform.

Mr. Hood reported Admiral Al Baciocco has been elected chairman of the Board of the Foundation. The Admiral would like to give an update on the Foundation to the Board of Trustees at the appropriate time.

Dr. Greenberg asked for an update on incubator space. Dr. Lanier said the space is being prepared to open October 8th and is located at the foot of the Ravenel Bridge.

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Board Action: Received as information.

Item 10. **Other Committee Business.** None

EDUCATION, FACULTY AND STUDENT AFFAIRS COMMITTEE. CHAIRMAN: MR. MELVYN BERLINSKY. (Detailed committee minutes are attached to these minutes).

OLD BUSINESS: None.

NEW BUSINESS:

Statement: Dr. John Raymond provided his report to committee.

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Board Action: Report received as information.

Item 12. Approval of Tuition Proposal for College of Health Professions Out-of-State Students with Scholarships.

Statement: At the request of the Dean of the College of Health Professions, administration presented a tuition proposal for College of Health Professions out-of-state students with scholarships, effective May 14, 2009. A revised schedule of charges was presented.

Recommendation of Administration: That the Out-of-State Tuition proposal for students with Scholarships in the College of Health Professions be approved.

Recommendation of Committee: That the Out-of-State Tuition proposal for students with Scholarships in the College of Health Professions be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the Out-of-State Tuition proposal for students with Scholarships in the College of Health Professions.

Item 13. South Carolina College of Pharmacy Tuition Harmonization with the University of South Carolina.

Statement: At the request of the Executive Dean of the South Carolina College of Pharmacy, administration presented for approval, revised academic charges for the South Carolina College of Pharmacy.

Recommendation of Administration: That the revised academic charges for the South Carolina College of Pharmacy be approved.

Recommendation of Committee: That the revised academic charges for the South Carolina College of Pharmacy be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the revised academic charges for the South Carolina College of Pharmacy.

Item 14. Faculty Contracts.

Statement: Administration presented for approval the following MUSC Faculty Contract Resolution, effective May 14, 2009:
The MUSC Board of Trustees recognizes the need to harmonize the faculty contract such that salary is commensurate with rank. Accordingly, the Board resolves that:

(1) Part A of the Faculty Contract for this upcoming academic/fiscal year (commencing July 1, 2009) will incorporate a sliding scale commensurate with faculty rank (termed Part A1) as follows:

Instructor - $20,000  
Assistant Professor - $25,000  
Associate Professor - $30,000  
Professor - $35,000

(2) For those faculty members who currently have Part A or “base” > the above scale, then the remainder will be incorporated into Part A2 this year. The Board reserves the right to set Part A as only A1 for all faculty members after this year.

(3) This resolution does not define the financial value of tenure.

(4) The Board charges the Faculty Senate and Administration to develop a more complete framework for the faculty contract that deals with grandfathering Part A or “base” compensation; defining an acceptable rate of reduction of non-incentive/non-administrative salary; and defining the financial value of tenure. This framework should be presented to the Board for discussion and possible action no later than the April 2010 Board meeting.

**Recommendation of Administration:** That the MUSC Faculty Contract Resolution be approved:

**Recommendation of Committee:** That the MUSC Faculty Contract Resolution be approved:

**Board Action:** A motion was made seconded and unanimously voted to approve the MUSC Faculty Contract Resolution.

**Item 15. Other Committee Business.**

**Faculty Appointments**

**Statement:** At the request of the Dean of the College of Medicine, administration presented for approval the following faculty appointment.

**Rita M. Kramer, M.D.,** as Associate Professor (Clinician Educator track) in the Department of Medicine, Division of Hematology/Oncology, effective May 1, 2009.

**Recommendation of Administration:** That this faculty appointment be approved.

**Recommendation of Committee:** That this faculty appointment be approved

**Board Action:** A motion was made, seconded and unanimously voted to approve the
faculty appointment of Rita M. Kramer, M.D. as presented.

Division Name Change for Education and Student Services

Statement: Administration presented for approval a request to rename the Division of Education and Student Services to the Division of Education and Student Life, effective May 14, 2009.

Recommendation of Administration: That the request to rename the Division of Education and Student Services to the Division of Education and Student Life be approved.

Recommendation of Committee: That the request to rename the Division of Education and Student Services to the Division of Education and Student Life be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the request to rename the Division of Education and Student Services to the Division of Education and Student Life.

Statement: Approval is requested to confer degrees upon those candidates who, pending successful completion of all requirements for their degrees by the conclusion of the spring semester, have the recommendation of their college dean and faculty.

Recommendation of Administration: That the conferring of degrees be approved.

Recommendation of Committee: That the conferring of degrees be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the conferring of degrees.

Item 17. Faculty Appointments.

Statement: At the request of the Dean of the College of Medicine and its Appointments, Promotions and Tenure Committee, administration presented for approval the following faculty appointment:

Charles S. Greenberg, M.D., Professor on the clinician educator track, Department of Medicine, Division of Hematology/Oncology, effective February 23, 2009.

Recommendation of Administration: That this faculty appointment be approved.

Recommendation of Committee: That this faculty appointment be approved.

Board Action: A motion was made, seconded and unanimously voted to approve the appointment of Charles S. Greenberg, M.D.
**Item 18. Faculty Promotions.**

**Statement:** At the request of the Chair of the Department of Library Science and Informatics, administration presented for approval the following faculty promotions, effective July 1, 2009.

*from Associate Professor to Professor*

Jane (Jenny) C. Ariail, Ph.D., Department of Library Science and Informatics

Thomas G. Smith, Ph.D., Department of Library Science and Informatics

**Recommendation of Administration:** That the faculty promotions be approved.

**Recommendation of Committee:** That the faculty promotions be approved.

**Board Action:** A motion was made, seconded and unanimously voted to approve the faculty promotions.

**FINANCE AND ADMINISTRATION COMMITTEE. CHAIRMAN: MR. CHARLES W. SCHULZE.**

**OLD BUSINESS:** None.

**NEW BUSINESS:**

**Item 19. Major Purchases.**

**Statement:** Ms. Montgomery presented an item for a one-time transaction of $345,542 to cover a deficit account in the University due to expenses related mainly to personnel expense of a University employee in the MUSC Foundation for Research Development.

**Recommendation of Administration:** That the purchase/expenditure be approved.

**Recommendation of Committee:** That the purchase/expenditure be approved.

**Board Action:** A motion was made, seconded and unanimously voted to approve the purchase/expenditure.

**Item 20. Financial Status Report of the Medical University of South Carolina.**

**Statement:** Mr. Wamsley reported operating cash for the University for March was $51.5 million or approximately 40 days. Both the SCRENCA and the Current funds reports are showing positive bottom lines in March in spite of the budget cuts. Preliminary numbers for April are even more improved. This reflects a combination of cutting expenses as well as increasing revenues, i.e. Medicaid NCO money and money from the hospital due to the new ART. There have been an increase in federal and private grants as Dr. Lanier reported. This necessitates a request to the
board to increase budget expenditures from $545 million to $565 million. Mr. Schulze stated this is really just a pass through for additional revenue that has already gone out in the form of additional expenses and there is not really any net effect to our cash.

**Recommendation of Administration:** That the request to increase the University’s budget expenditures from $545 million to $565 million be approved.

**Recommendation of Committee:** Approve the request to increase the University’s budget expenditures from $545 million to $565 million.

**Board Action:** A motion was made, seconded and unanimously voted to approve the increase in budget expenditures from $545 million to $565 million.

**Item 21. Financial Status Report of University Medical Associates.**

**Statement:** Mr. Valerio reported a $12 million loss through March related to investment/market losses. From an operating standpoint, there was about a $4 million gain.

**Recommendation of Administration:** That this report be received as information.

**Recommendation of Committee:** That this report be received as information.

**Board Action:** Received as information.

**Item 22. Other Committee Business.**

**Statement:** Mr. Schulze asked for approval of the resolution granting a non-exclusive license to certain trademarks/servicemarks to MUHA for the purpose of using and sublicensing such marks.

**Recommendation of Administration:** That the resolution be approved.

**Recommendation of Committee:** That the resolution be approved.

**Board Action:** A motion was made, seconded and unanimously voted to approve the resolution granting a non-exclusive license to certain trademarks/servicemarks to MUHA for the purpose of using and sublicensing such marks.

**UNIVERSITY PHYSICAL FACILITIES COMMITTEE. CHAIRMAN: MR. WILLIAM H. BINGHAM, SR.**

**OLD BUSINESS:** None.

**NEW BUSINESS:**
Item 23. **Facilities Procurement/Contract Proposed.**

Statement: Mr. John Malmrose presented the following project for approval:

- Upon receipt of NIH Grant Funding, up to $8 million to establish a project for the BSB 2nd Floor Renovations for Microbiology/Immunology.

Recommendation of Administration: That the project be approved pending receipt of the NIH grant.

Recommendation of Committee: That the project be approved pending receipt of the NIH grant.

Board Action: A motion was made, seconded and unanimously voted to approve the project up to $8 million pending receipt of the NIH grant.

Item 24. **Update on Projects.**

Statement: Mr. Malmrose stated bids had been received earlier in the week for the Bioengineering/Drug Discovery Project. The low bidder was $73 million. The contract could be awarded about mid-June and someone could be on site about mid-July.

Recommendation of Administration: That this be received as information.

Recommendation of Committee: That this report be received as information.

Board Action: The report was received as information.

Item 25. **Other Committee Business.** None

Item 26. **Facilities Contracts Awarded.**

Statement: The facilities contracts awarded since the last meeting were presented for information.

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Board Action: Received as information.

OTHER BUSINESS FOR THE BOARD OF TRUSTEES:

Item 27. **Approval of Consent Agenda.**

Statement: Approval of the University Consent Agenda was requested.
Recommendation of Administration: That the consent agenda be approved.

Board Action: It was moved, seconded and unanimously voted that the consent agenda be approved.

Item 28. New Business for the Board of Trustees. None

Item 29. Report from the Chairman.

Dr. Thomas reminded everyone of the Golden Grads Lunch at noon and the Dinner at the Harbor Club tonight at 6:30.

There being no further business, the meeting of the University Board of Trustees was adjourned.

Respectfully submitted,

Hugh B. Faulkner III
Secretary

MINUTES

Members Present: Dr. Charles B. Thomas, Jr.; Mr. Thomas L. Stephenson; Dr. Stanley C. Baker, Jr.; Mr. Melvyn Berlinsky; Mr. William H. Bingham, Sr.; Dr. Donald R. Johnson II; Dr. E. Conyers O'Bryan, Jr.; Dr. Paula E. Orr; Dr. Thomas C. Rowland, Jr.; Mr. Charles W. Schulze; Dr. James E. Wiseman, Jr.

Other Participants: Ms. Susan Barnhart; Dr. Philip Costello; Dr. Joe DiPiro; Dr. David Garr; Dr. Joe Good; Dr. Ray Greenberg; Dr. Perry Halushka; Dr. Tom Higerd; Ms. Sarah King; Dr. Stephen Lanier; Dr. Walter Limehouse; Dr. Mary Mauldin; Dr. John Raymond; Dr. Jerry Reves; Dr. Jack Sanders; Dr. Darlene Shaw; Dr. Mark Sothmann; Dr. Eleanor Spicer; Dr. Gail Stuart

REGULAR AGENDA

Item 11. General Report of the Vice President for Academic Affairs

Statement:

Dr. Raymond reported that MUSC faculty members are submitting grants proposals under ARRA that could bring in millions of dollars for renovations, equipment and scientific projects.

Dr. Raymond updated the Board on progress of discussions between the Faculty Senate and Administration regarding restructuring of the faculty contract. A Board resolution for faculty contracts was submitted for review and approval. The resolution was approved with modifications to include under section (2) of the resolution, the following statement: “The Board reserves the right to set Part A as only A1 for all faculty members after this year”. See Item 14.

College Highlights
The Academic Deans summarized graduation successes, recruitment efforts and admissions status for their respective colleges.

Dr. Reves briefly mentioned that the College of Medicine hosted a visit by Dr. Darrell G. Kirch, President and CEO of AAMC, who commended the MUSC College of Medicine for its performance in the area of diversity. Dr. Greenberg praised Dr. Reves for his efforts in making this visit a successful one.

South Carolina AHEC
Dr. Garr provided updates on a Telemedicine Conference, a national meeting on healthcare workforce for the underserved sponsored by the Macy Foundation, the e-Health South Carolina Collaborative, and student interprofessional activities.

Dr. Rowland requested that Dr. Larry Mohr be invited to speak to the Board at a future meeting regarding his experiences in the White House

Recommendation of Administration: That this report be received as information.

Recommendation of Committee: That this report be received as information

  Board Action: 
Board of Trustees  
Medical University of South Carolina  

Dear Trustees:

Please find attached to this cover letter, detailed information about a tuition request for the College of Health Professions, to be considered at your May Board meeting. Like the College of Pharmacy, CHP would like to establish a category of tuition titled, "Out-of-state with scholarship".

This tuition would be set somewhere between in-state and out-of-state, and would be used to recruit out-of-state students. This is an important tool for Dean Sothmann and his colleagues.

This year, the College of Health Professions is requesting that the tuition be set at the in-state rate +$300 for most of their programs. The College leadership feels compelled to offer this competitive rate to selected students this year because they had discussed the advantages of becoming SC residents during the recruitment process. The out-of-state with scholarship rate would be increased substantially next year commencing with the new matriculants in 2010-2011. Dean Sothmann will be discussing this proposal with Mr. Berinsky. Please fell free to call me or Dean Sothmann if you have any questions or concerns.

Sincerely,

John R Raymond, M.D.  
DCI Professor of Medicine  
Vice President for Academic Affairs and Provost
April 28, 2009

John R. Raymond, M.D.
DCI Professor of Medicine
Vice President for Academic Affairs and Provost
Medical University of South Carolina
171 Ashley Avenue
Charleston, SC 29425

Dear John,

I write this for your records and future reference as we seek a resolution to a complex situation for the College of Health Professions' out of state tuition. Specifically, I am seeking special consideration that will not result in a loss of tuition revenue to central administration while preserving CHP's ability to recruit out of state students.

You will recall that when the colleges of medicine and dentistry proposed that the policy allowing nonresident students to claim resident tuition after their first year be changed to charge the full nonresident tuition for their entire period at MUSC, I supported the concept but expressed concern regarding how that policy would be implemented in CHP. The complexity is that unlike medicine, dentistry, and nursing, which have fewer than 5% of their students as nonresidents, CHP has 55%. The college has moved aggressively to pursue nonresidents because, unlike the other colleges, CHP has multiple programs and many of them do not have the hundreds of applicants for each program each year that one finds in the single discipline-based colleges. Our ability to recruit in a highly competitive national market was considerably helped by the policy that students after their first year could file for resident tuition rates, and 98% of them were successful. I expressed concern that CHP would need a phase-in period, specifically to honor the commitments made to a very large segment of the current nonresident students and the students we had admitted for 2009-10. I expressed my concern that unless I communicated with our current and prospective nonresident students in a very deliberate manner CHP would run the risk of losing a significant segment of the 55% student base. This would have potentially devastating impact on the CHP budget, and tarnish our national reputation for future recruiting of such students.

"An equal opportunity employer, promoting workplace diversity"
During March there was considerable discussion within the Dean's Council, with Enrollment Management, the Office of Student Life, and the checking of state policy regarding tuition abatement to determine a mechanism by which CHP would have flexibility for a phase-in period. In the meantime, our academic programs were accepting their respective classes but we had not yet found a resolution to CHP's critical need for flexibility. We considered it unethical to accept out of state students knowing they would reject offers at other institutions, and then have to answer very difficult questions when those students learned of the Board of Trustees policy change. Therefore, after considerable discussion with multiple individuals in your office we sent the attached two letters in anticipation that we would continue to work through the process.

I believe CHP and members of your staff have acted in good faith to support the change in tuition policy, worked closely with one another in developing a workable solution, and maintained our ethical obligation to our current and prospective students while preserving our competitiveness to recruit nationally. I emphasize that CHP views this issue as only transitional. I am asking through the channels you deem appropriate that there be an official approval for CHP to do the following:

1) Adhere to the attached March 25th letter sent to all new 2009-10 out of state students, which would obligate CHP through scholarships to resident rates plus $300 for selected academic programs, extending to 2011-12.
2) Adhere to the attached letter sent to all current nonresident students that entered our programs when the previous policy was in existence.
3) All incoming nonresident students starting the 2010-11 academic year will be charged an out of state tuition rate that both makes us competitive in national recruitment and is to be applied for the entire time they are students at MUSC, thus adhering to the Board of Trustees policy. CHP will determine that competitive rate in the forthcoming academic year.

Per your request, I have attached the tuition rates for the upcoming year according to College of Pharmacy format, with the understanding that this request is within the context of the issues I have discussed in this letter.

I appreciate your consideration of my requests and will certainly offer any additional information you deem necessary.

Sincerely,

Mark S. Sothmann, Ph.D.
Professor and Dean
March 25, 2009

Dear Student:

It is my pleasure to welcome you to the College of Health Professions at the Medical University of South Carolina (MUSC). We are delighted that you have decided to join one of the many academic programs we offer in the College, and we look forward to getting to know and work with you as you begin your studies here.

As an out-of-state student, you may have heard about proposed changes to MUSC’s guidelines for students wishing to petition for South Carolina residency. I want to take this opportunity to assure you that we plan to honor our current practice by enabling you to receive reduced tuition, comparable to our instate tuition rates, after your first year in the program. MUSC’s guidelines for determining residency status are being updated, however, please be assured that the College of Health Professions will honor its current practice for all out-of-state students entering our programs in 2009. This means there will be a mechanism for you to receive a reduction in your tuition after your first year, to a rate comparable to our instate tuition. The details have yet to be finalized; however, we will notify you once they are.

If you have any questions, please feel free to contact Ms. Melissa Freeland, Manager of Student Services at 843.792.8510 or via email at freelan@musc.edu.

Again, welcome to the College of Health Professions at MUSC. We wish you a smooth transition to graduate school and the very best in your studies. We look forward to seeing you soon.

Sincerely,

Mark Sothmann, Ph.D.
Dean
College of Health Professions
Draft letter to all CURRENT out-of-state students  (Residential programs only)

Dear [insert student name]:

As an out-of-state student in the College of Health Professions (CHP), you may have heard about proposed changes to MUSC’s guidelines for students wishing to petition for South Carolina residency. Historically, out-of-state students have been able to petition for instate residency after one year in the program and if they meet the eligibility criteria. Residency is determined by the University Residency Officer in the Office of Enrollment Management, according to the Code of Laws of the State. Current out-of-state students will be reviewed up until November 1, 2009 according to the policy that was in effect when they were accepted. If you have not yet petitioned for instate residency and feel you meet the residency criteria, I would like to take this opportunity to urge you to do so by November 1, 2009.

Should you petition for residency by the November 1 deadline and be approved, your tuition starting in the January 2010 would be reduced to instate tuition levels as per the current University policy. However, should your petition be denied, the College of Health Professions will grant you instate tuition plus $300 each semester starting in the summer semester 2010 for the remaining duration of your current program of study. We are offering this to our current out-of-state students to honor a practice in effect when you entered the College, even though university guidelines may be changing.

If you have any questions about the College’s position, please feel free to contact Melissa Freeland at (843) 792-8510.

Sincerely,

[Signature]

*Includes program fee of $811 for the current charge and $1,200 for the proposed charge.
The MUSC Board of Trustees recognizes the need to harmonize the faculty contract such that salary is commensurate with rank. Accordingly, the Board resolves that:

(1) Part A of the Faculty Contract for this upcoming academic/fiscal year (commencing July 1, 2009) will incorporate a sliding scale commensurate with faculty rank (termed Part A1) as follows:

- Instructor - $20,000
- Assistant Professor - $25,000
- Associate Professor - $30,000
- Professor - $35,000

(2) For those faculty members who currently have Part A or “base” > the above scale, then the remainder will be incorporated into Part A2 this year. The Board reserves the right to set Part A as only A1 for all faculty members after this year.

(3) This resolution does not define the financial value of tenure.

(4) The Board charges the Faculty Senate and Administration to develop a more complete framework for the faculty contract that deals with grandfathering Part A or “base” compensation; defining an acceptable rate of reduction of non-incentive/non-administrative salary; and defining the financial value of tenure. This framework should be presented to the Board for discussion and possible action no later than the April 2010 Board meeting.

MEMORANDUM
To: MUSC Board of Trustees
From: John R. Raymond, Bart Yancey
Subject: FRD service contract
Date: May 14, 2009

MUSC currently holds a University account that is used to carry specific expenses related to the operation of the Foundation for Research Development. This account was created primarily to pay FRD employees who were allowed to maintain status as state employees on MUSC's payroll while working for the Foundation. Due to the fact that these employees are no longer with the University and FRD only has employees that are paid through their Foundation, the University would like to close this account and eliminate the current deficit balance being carried on it.

This account currently carries an approximate balance of -$345,542. This deficit developed primarily due to the following:
- $35,980 in moving, renovation, and lease expenses when the FRD moved to Haboview office Tower
- $1,480 in Information Technology Assessment fees
- $308,082 in personnel expenses

Prior to fiscal year 2007-08, FRD had covered the associated personnel expenses on MUSC's account for $155,351. However, starting in FY07-08, FRD did not have income sufficient to transfer to this account. Their situation has not improved and this outstanding liability has raised concerns about FRD's solvency during a recently conducted external audit.

Because transactions between the FRD and MUSC are handled through the annual contract for management services, a "settling up" should occur through the contract per MUSC's Internal Audit office. Therefore, we need to amend/adjust the appropriate Major Purchase document by the amount we are settling ($345,542). Once approved, Accounts Payable will then cut the check to FRD and FRD will, in turn, cut a check to pay MUSC back.

We request consideration of this request by the MUSC Board of Trustees.
Description of Purchase: Management service contract with MUSC Foundation for Research Development. Services include management services relating to technology transfer, economic development, and collaborative endeavors with the private sector on behalf of the University.

Estimated Cost of Purchase: $345,542

Requisition Number: RQ367206

Department Name(s) and UDAK numbers(s): Vice President for Academic Affairs and Provost – MUCU 1020000 10601 4225

Department Contact Person: Dr. John Raymond, VP for Academic Affairs and Provost

Name of Procurement Specialist: Jerry Redmon

Method of Purchase: Sole Source – This type of purchase is necessary when needs demand an item(s) be supplied through a sole offeror and written justification is submitted from the requestor to that effect. (The MUSC Foundation for Research Development is a sole source due to its ability to gather the extensive range of services for one organization that meets the Medical University’s educational and research mission. The MUSC Foundation for Research Development is the only organization that can provide this continuity of services.)

Vendor Name (If Sole Source): The MUSC Foundation for Research Development

New Purchase __ Yes _X_ No

New Contract for Existing Services? _X_ Yes ____ No

Extension of Existing Contract? ____ Yes _X_ No

Replacement of Existing Item(s) ____ Yes _X_ No

Name of Item(s) Being Replaced: Not applicable to this purchase.

Name and Value of Equipment the Requested Purchase Will Be Used In Conjunction With: Not applicable to this purchase.

How Will This Purchase Benefit MUSC: The MUSC Foundation for Research Development (Foundation) is a not-for-profit entity established to enhance MUSC’s research and service programs while at the same time advancing healthcare and economic development in South Carolina and the nation. Its goal is the development of new relationships between MUSC and businesses, especially as related to technology transfer.

Why and How This Purchase Will Benefit MUSC By Having a Vendor Provide This Service vs. MUSC Staff Providing the Service: It will ensure the Research Foundation and MUSC’s operation are developed in a manner that guarantee consistency with MUSC’s goals and objectives and compliance with federal regulations. MUSC does not have the ability to provide this service.
Item to be approved for purchase: Management service contact with MUSC Foundation for Research Development. Services include management services relating to technology transfer, economic development, and collaborative endeavors with the private sector on behalf of the University.

1. **Source of Revenue/Savings:** Increased revenue from intellectual property and research support.

2. **Amount of Revenue/Savings to be generated:** To be determined, however, in excess of the contract amount.

3. **Initial cost:**
   a. **Item:** $900,000
   b. **Additional Costs:** $345,542
   c. **Physical Plant Requirements (renovations):** No Physical Plant renovations required for this purchase.

4. **Annual cost (Maintenance, supplies, etc.):** No maintenance or supplies cost associated with this purchase.

5. **Personnel Cost (to include base salary, fringes, training, etc.):** No additional personnel required for this purchase.

6. **Financial Analysis:** The MUSC Foundation for Research Development is a developer of revenues generated from intellectual property derived by MUSC faculty and staff providing increased resources for the University. The Foundation provides considerable research support to the MUSC research enterprise, thereby reducing the state resources required.
A RESOLUTION
GRANTING A NON-EXCLUSIVE LICENSE TO CERTAIN TRADEMARKS/SERVICEMARKS TO THE MEDICAL UNIVERSITY HOSPITAL AUTHORITY FOR THE PURPOSE OF USING AND SUBLICENSING SUCH MARKS.

WHEREAS, the Medical University of South Carolina ("MUSC") is an agency of the state of South Carolina and is an institution of higher learning created under S.C. Code Ann. §§ 59-123-10, et seq. (Rev. 2008);

WHEREAS, The University Medical Associates ("UMA"), is a South Carolina nonprofit corporation created by the Board of Trustees of MUSC pursuant to S.C. Code Ann. §§ 59-123-10, et seq. (Rev. 2008) that exists for the benefit of MUSC;

WHEREAS, The Medical University Hospital Authority ("MUHA") is an agency of the state of South Carolina created pursuant to S.C. Code Ann. § 59-123-60(E) (Rev. 2008) to operate "Medical University hospitals, clinics, and other health care and related facilities . . ." (hereinafter the “Medical Center”);

WHEREAS, among other things, MUHA operates and manages the affairs of the Medical Center which medical center includes various hospitals, institutes, and centers for specialized care and is the owner of all real and personal property, tangible and intangible, relating to the Medical Center;

WHEREAS, MUSC, through its Division of Cardiovascular Surgery of the College of Medicine, has developed expertise in cardiac surgery services through physicians employed by MUSC in association with UMA and has established a center for specialized care known as the “MUSC Heart and Vascular Center” which center is managed and operated by MUHA;

WHEREAS, MUSC has applied for registration in the United States Patent and Trademark Office for trademarks/servicemarks with respect to certain marks shown in Exhibit A (collectively, the “Marks”) for healthcare services, namely hospitals, emergency care centers, primary and specialty care centers, and outpatient clinics;
WHEREAS, MUSC desires to grant a non-exclusive license to such Marks to
MUHA, including the associated goodwill, so that MUHA will have the right to use the
Marks with respect to the operation of the Medical Center including the rights to sublicense
the Marks;

WHEREAS, the board of MUSC finds the licensing of the Marks to MUHA to be in
the best interests of MUSC, MUHA and the State of South Carolina to give the residents of
South Carolina better access to health cares service in the State of South Carolina, and to
provide for appropriate management of the Marks and to provide for the use of the Marks in
the course of the management and operation of the Medical Center;

NOW, THEREFORE, BE IT RESOLVED, that the licensing of the Marks to
MUHA under the terms as more specifically set forth in that certain License Agreement by
and between MUSC and MUHA draft dated May 13, 2009, a copy of which was made
available to the board (the “MUHA License Agreement”), shall be and hereby is approved;
and

RESOLVED, FURTHER, the officers of MUSC be, and each of them hereby is,
authorized and directed, in the name and on behalf of MUSC, to execute and deliver the
MUHA License Agreement, and all other agreements, instruments, certificates and
documents contemplated by the MUHA License Agreement, with such changes therein and
additions thereto as the officers of MUSC shall approve, such approval to be conclusively
established by the officer’s execution thereof; and

FURTHER RESOLVED, that the officers of the MUSC be, and each of them
hereby is, authorized and directed, in the name and on behalf of the MUSC, to take any and
all action and to execute and deliver any and all further agreements, instruments, certificates
and documents, and to pay such fees, expenses and taxes as may be necessary or appropriate
to facilitate the intent of any of the foregoing resolutions and the transactions contemplated
thereby, the taking of such action or the execution and delivery of such agreements,
instruments, certificates or documents and the making of any such payments to be deemed conclusive evidence of the exercise of the discretionary authority conferred hereby.

APPROVED this 14th day of May, 2009.

MEDICAL UNIVERSITY OF SOUTH CAROLINA

PROJECT TITLE: BSB 2nd Floor Renovations for Microbiology/Immunology

PROJECT NUMBER: TBD

TOTAL ESTIMATED BUDGET: $8,000,000

SOURCE OF FUNDS: National Institute of Health (NIH) Grant Funding

JUSTIFICATION: Four years ago the Board approved a project to renovate the west half of the 2nd and 3rd floors in the Basic Science Building for Microbiology/Immunology and Pharmacology respectively. The project was submitted for NIH 50/50 matched grant consideration with the 3rd floor Pharmacology portion being paid for with MUSC funds. Although the project scored well, NIH did not award the grant to MUSC because it was determined that MUSC had received more than its fair share of NIH funding over the years. The Microbiology/Immunology portion of the project was put on hold while the Pharmacology portion moved forward.

NIH recently received stimulus funding, and asked MUSC to update the Microbiology/Immunology project for reconsideration. The updated project information was submitted and NIH has approved the project. We can expect to receive the funding as early as mid-May. NIH would also like to provide as much as $8M toward the project if MUSC can justify additional work. We are in the process of amending the grant request to include replacement of the east side air handler or to provide a connecting bridge from the Basic Science Building to the Drug Discovery Building.

The NIH approved project includes renovation of 11,607 net assignable sqft and 2,101 sqft of core area on the 2nd floor of the Basic Science Building to enhance the research capacity and productivity of the faculty in the Department, enhance faculty recruitment, expand training capacity, and strengthen the programs in molecular therapy, biodefense and emerging infectious diseases, microbiology, and basic immunology.
