Conyers O’Bryan, Jr.; Dr. Paula E. Orr; Dr. Thomas C. Rowland, Jr.; Mr. Charles W. Schulze; The Honorable Robin Tallon; Dr. James E. Wiseman, Jr.; Mr. Allen E. Stalvey, Emeritus. Absent: Dr. Cotesworth P. Fishburne, Jr.

The following administrative officials were present: Dr. Raymond S. Greenberg, President; Dr. John Raymond, Vice President for Academic Affairs and Provost; Dr. Jerry Reves, Vice President for Medical Affairs, and Dean, College of Medicine; Ms. Lisa Montgomery, Vice President for Finance and Administration; Mr. Stuart Smith, Vice President for Clinical Operations and Executive Director, MUHA; and Dr. Frank Clark, Vice President for Information Technology and CIO; Mr. Jim Fisher, Vice President for Development.

The following deans were present: Dr. Jack Sanders, College of Dental Medicine; Dr. Perry Halushka, College of Graduate Studies; Dr. Mark Sothmann, College of Health Professions; Dr. Jerry Reves, College of Medicine; Dr. Gail Stuart, College of Nursing; Dr. Joseph DiPiro, SCCP and Dr. Arnold Karig, College of Pharmacy.

Item 1. Call to Order-Roll Call.

There being a quorum present, Chairman Thomas called the meeting to order. Ms. Celeste Jordan called the roll.

Item 2. Secretary to Report Date of Next Meeting.

The date of the next regularly scheduled meeting is Friday, December 12, 2008.

Item 3. Approval of Minutes of the Regular Meeting of the Medical University of South Carolina Board of Trustees of August 8, 2008.

Board Action: It was moved that the Minutes be approved. The motion was seconded, voted on and unanimously carried.

RECOMMENDATIONS AND INFORMATIONAL REPORTS OF THE PRESIDENT.

OLD BUSINESS: None.

NEW BUSINESS:

Dr. Greenberg reported that there has been a lot of hard work on the capital campaign and that he is beginning to prepare for the upcoming legislative session. He hoped everyone could attend the Drug Discovery Building Groundbreaking Ceremony after the Board meeting. There will also be a celebration of the passing of
two benchmarks – the $200 million in total research funding and $100 million in NIH funding.

Dr. Raymond introduced Dr. Melanie Thomas who comes to the University from the M.D. Anderson Cancer Institute. She did her undergraduate education at Boston University; went to Harvard and received a masters in engineering; went back to Boston University to complete her medical training. She has excelled as a clinical investigator and a clinician in the field of multi-center cancer trials. She was recruited to MUSC in the Centers for Economic Excellence program. She holds the 20th chair recruited to the state and is the first woman chair. She holds the Grace DeWolff Endowed Chair in addition to the GI Malignancy Center for Economic Excellence Chair and is Associate Director for Clinical Investigation in the Hollings Cancer Center.

Dr. Melanie Thomas reviewed her background and what her plans and visions are for what she hopes to accomplish at MUSC. At the conclusion of Dr. Thomas’ presentation, Dr. Greenberg stated that the board members would be good allies to help develop a network across the state and they will be a good resource for Dr. Thomas. For example, Dr. O’Bryan would be helpful in Florence and Dr. Baker and Mr. Schulze in Greenwood. Dr. Greenberg concluded by saying that he was very pleased to have Dr. Thomas at MUSC and hoped the outcome of the recent site visit would be positive.

Item 33. New Business for the Board of Trustees. None

Item 34. Report from the Chairman.

Dr. Thomas said he felt the changed format for the Thursday meeting, to give the Board the opportunity to discuss some important issues, went well. Unless there are objections from the Board, he said they would continue with that format but would cut back from four to three topics.

Dr. Greenberg said the only confirmed speaker for the December meeting was Dr. Bob Dickler from the Association of Medical Colleges. Also Speaker Bobby Harrell has tentatively agreed to meet with the Board in December.

Mr. Jim Fisher reminded the Board that their nominations for the Board of Visitors needed to be received by November 14.

Mr. Berlinsky had made a motion for an executive session to discuss contractual matters. Dr. Thomas moved the Board into executive session.

At the conclusion of the executive session, Dr. Thomas announced in open session that no action had been taken by the board.

There being no further business, the meeting of the University Board of Trustees was adjourned.

Respectfully submitted,

Regular Agenda

Call to Order

Mr. Tallon called the meeting to order at 1:15 PM in the Colcock Hall Board Room.

Item 6. General Report of the Associate Provost for Research

Dr. Lanier distributed the Annual Research Funding Report for FY 2007-08. MUSC achieved a new record with a total exceeding $202 million in total extramural research funding and more than $100 million from the National Institutes of Health. Every college exhibited growth in research awards. Dr. Lanier observed that the record levels of proposals submitted is helping sustain MUSC’s research momentum. Dr. Greenberg praised Dr. Lanier’s leadership role in working with the City of Charleston and SC Research Authority to make the Charleston Biotech Incubator a reality. He also noted that the National Cancer Institute Site Visit to review the Hollings Cancer Center’s request for NCI-Designated Cancer Center status on Sept. 25 was exceptional. Dr. Lanier introduced Dr. Kathleen Brady for the Research Presentation, as summarized below under Item 9. Keynotes in the Meeting Program Booklet included:

- External Review of SC Centers of Economic Excellence, MUSC campus visit, Sept. 8-10
- Charleston Biotech Incubator – Press Conference Announcement, Sept. 23
- Groundbreaking Ceremony for Drug Discovery Building, Oct. 3
- Celebration of breaking the $200 million total/$100 million NIH research funding mark, Oct. 3
- Recruitment process initiated for Director of Hollings Marine Laboratory
- Submission of CTSA grant application, Oct. 21 – update from Dr. Kathleen Brady (also reported under Item 9)
- FY 2008-09 Extramural Awards through Aug. 31: $46.1 million

Recommendation of Administration: That the report be received as information.

Recommendation of Committee: That the report be received as information.

Item 7.  

**General Report of the Vice President for Development**

Mr. Fisher presented the institutional advancement activities report. He noted that the fundraising total of $12.8 million as of Sept. 19th is a 2.4-fold increase over the previous year's mark of $5 million at the same time point. The on-campus meeting of The Duke Endowment in late August went extremely well. Over the years The Duke Endowment has provided more than $16 million to support programs at MUSC and several program requests are currently under consideration. The feedback regarding the meeting was outstanding. Mr. Fisher introduced Ms. Toni Jernigan to give the Development Presentation, as summarized below under Item 9. Keynotes in the Meeting program booklet included:

- The Duke Endowment Board of Trustees site visit, Aug. 27
- Fundraising year-to-date: $12.8 million (as of Sept. 19)
- Capital Campaign year-to-date: $237.9 million (as of Sept. 19)
- President's Gala for major benefactors, Oct. 10
- Board of Visitors nominations due currently

**Recommendation of Administration:** That this report be received as information.

**Board Action:**

Item 8.

**General Report of the Executive Director of the MUSC Foundation for Research Development**

Mr. Hood reported on a recent trip with Dr. Greenberg to Greenwood, SC to meet with the international chairman of FUJI as well as the director of FUJI Medical and the head of the Greenwood division. The discussions went exceptionally well, pointing toward an expanded relationship between MUSC and FUJI. President Greenberg noted MUSC's strong ties with Greenwood, including FUJI, Self Memorial Hosp, and Greenwood Genetic Center. He thanked Mr. Schulze and Dr. Baker for their ongoing help with those relationships. Keynotes in the Meeting Program Booklet included:

- Accompanied President Greenberg to Greenwood for FUJI's 20th anniversary event to meet with the FUJI International Chairman from Japan; discussed a robust relationship with FUJI.
- Two new startups received approval for funding from SCLaunch/SCRA, including one CoEE-based startup.
- Four additional startups are in the process of being formed around MUSC IP.
- New inventions this FY to date: 9

Item 9.

**Other Committee Business**

**RESEARCH PRESENTATION.** Kathleen Brady, MD, PhD, gave an update on the development of the South Carolina Clinical and Translational Research Institute (SCTR). MUSC will submit a competitive grant application to the NIH Clinical and Translation Research Award (CTSA) Program by Oct. 21, 2008. MUSC is the academic home and
lead institution for SCTR. Dr. Brady is SCTR Director and Principal Investigator with Perry V. Halushka, MD, PhD, serving as co-Principal Investigator. SCTR affiliate organizations include Health Sciences South Carolina, University of South Carolina, Clemson University, Greenwood Genetic Center, Claflin University and South Carolina State University. Vanderbilt University's CTSA leadership team is consulting and advising on the full development of SCTR, notably in the area of Biomedical Informatics.

DEVELOPMENT PRESENTATION. Ms. Toni R. Jernigan, Director of Planned Giving in the MUSC Office of Development, gave an update on the new Planned Giving web site at http://musc.giftlegacy.com/plgive_main.jsp?WebID=GL2007-1129. Development launched the Planning Giving web site in December, and started actively marketing the site in March. The site has generated major interest, resulting in approximately 65,000 hits to date, currently at a rate of approximately 9000/month. The Financial Calculator tool appears to be especially popular with attorneys and tax advisors.

CONSENT AGENDA ITEM FOR APPROVAL

Item 10. MUSC Foundation Proposed By-Laws Change

Mr. Anderson addressed this Consent Agenda Item. Proposed changes to the MUSC Foundation By-Laws require the approval of the MUSC Board of Trustees. The proposed change would reduce from three years to one the minimum time to restore eligibility after an individual has served three consecutive terms on the MUSC Foundation Board. The motion to recommend approval was unanimously confirmed.

Recommendation of Administration: That this be approved

Recommendation of Committee: That this be approved.

Board Action:

There being no further business, the meeting was adjourned at 1:55 PM.
Mr. Bingham called the meeting to order.

Section 4.3. Terms of Appointment. Terms of appointment shall be three years with appointments made annually on a staggered schedule so that nine (9) at large members and one University/Authority Trustee member are elected each year. Unless recommended by the Nominating Committee and authorized by a vote of two-thirds (2/3rds) of the Directors then in office, a Director shall serve no more than three consecutive three year terms. After a lapse of one or more years, a Director may be re-elected.
8. FACULTY GRIEVANCE AND APPEAL

The right to grieve and appeal by any member of the faculty is recognized by the administration and the Board. Presentation of grievances is made through the following procedures established by and for the faculty and approved by the administration and the Board of Trustees.

8.01 Faculty Grievance and Appeal Procedure

In any community of free people, even under the best of circumstances, complaints will be generated from time to time by individuals or groups who feel that a condition exists that is detrimental to their professional careers or personal well-being.

A community of academicians operates on the premise that a complaint brought by one or more of its members against another or against the institution itself is best resolved when the parties involved are encouraged to seek a just and equitable solution.

When individual efforts fail to produce a satisfactory resolution of a complaint, it behooves the greater academic community to intercede so that an equitable solution is obtained with dispatch.

Therefore, a grievance and appeal procedure is established to handle complaints that cannot be resolved in an informal way at the department or college level and which are not covered by other procedures.

Participation in a grievance procedure in any capacity, including as a griever, within the scope of such grievance proceeding is considered by the University to be within the scope of duties of a faculty member. The faculty member shall be afforded the same protection for such participation as for any other faculty duties subject to the provisions of the liability insurance policies purchased to cover liability of faculty members.

The granting or the failure to grant tenured status to teaching, research faculty, professional librarians, academic administrators and all other persons holding faculty appointments or nonrenewal of employment contracts at the end of the contract term shall not be subject for consideration by this grievance procedure (Section 8-17-380, S.C. Code of Laws 1976).

8.02 Initial Stage and Grievance Procedure

A complaint concerning any condition that is felt to be detrimental to the complainant's professional development or personal well-being shall first be directed as described below:

(1) Complaints against a member of the complainant's department shall be explained to the departmental chair. When the complaint is against the chair, it is lodged with the dean of the college.
(2) Complaints against a member or chairman in the complainant's college, but not a member of the complainant's department, shall be lodged with the dean of the college.

(3) Complaints against a member of another college shall be lodged with the dean(s) of the college(s) involved.

(4) Complaints against any administrator shall be lodged with the next higher level of administration.

The person with whom the complaint is lodged shall attempt to mediate an amicable solution through his/her good offices, or to suggest another person who might effectively mediate an amicable solution.

8.03 Grievance Procedure

(1) In the event that the complaint is not resolved within a reasonable period of time, the complainant may submit a written request for a hearing. The proper avenue for such a request is through established channels of authority to the Vice President for Academic Affairs and Provost. Once initiated, a grievance or appeal must be afforded full due process regardless of changes in employment status.

(2) The grievance or appeal shall be referred by the Vice President for Academic Affairs and Provost to a committee consisting of the unit head or chairperson and at least two other members of the faculty, who shall be appointed by the President, but who are not members of the faculty. The committee shall consist of at least two members from each college and the library system. The committee shall be selected by the President and shall be impartial and informed with respect to the subject of the grievance or appeal.

(3) The grievance or appeal shall be in writing and shall specify the condition(s) felt to be detrimental to the individual's professional development or personal well-being and the manner in which it may affect the complainant adversely. The statement shall specify the reasons why such a condition is felt to be the responsibility of a person or persons named in the grievance or appeal, and it shall suggest the changes in conditions that would satisfy the complainant.
(4) Upon receipt of a grievance or appeal, and in no case longer than thirty (30) days after
the receipt thereof, the Vice President for Academic Affairs and Provost will convene
a Hearing Committee at full strength from individuals selected from the
members of the University faculty and student body.

8.04 Action by the Hearing Committee

(1) When a grievance or appeal is referred to the Hearing Committee, the chair
of the Committee shall distribute true copies of all pertinent materials to the parties
involved who have not already received them and to the members of the Committee
within one week of the referral.

The Committee shall refuse to hear a grievance or appeal if it determines that:

(a) The parties have made inadequate effort to resolve the dispute by discussion and
agreement or have not utilized other reasonably available avenues for relief within
the division, department, college(s);

(b) The dispute is patently frivolous or plainly without merit;

(c) The relief sought is beyond the power of the University to grant;

(d) The grievance is insufficiently related to the concerns of the academic
community;

(e) The dispute is within the jurisdiction of another committee or unit of the
University.

(2) Within twenty-one (21) days of the distribution of the materials pertinent to the grievance
or appeal, the Committee shall meet and decide whether to hear the case. If the
Committee decides to hear the case, it shall immediately notify the principals and shall
commence hearings within another seven (7) days. As it deems appropriate, the
Committee may call any witnesses and examine any documents in addition to those
presented by the parties to the grievance or appeal. The Committee shall prepare and
keep a transcript of its proceedings.

(3) After hearing the parties to the grievance or appeal and the witnesses, the Committee
shall deliberate in secret. It shall then determine to: (a) recommend an appropriate action
or (b) dismiss the grievance. The chair shall send, in writing, the Committee's
recommendation to the parties. It shall then declare the hearing concluded.

(4) The chair also shall send the Committee's recommendation and rationale for it directly to
the Vice President for Academic Affairs and Provost of the University for consideration
and recommendation by that officer. This report shall be submitted within ten (10) days
after the conclusion of the hearing.
(5) In reaching the written recommendations to the Vice President for Academic Affairs and Provost, the Committee shall consider only the evidence presented at the hearing and such written and oral arguments as the Committee, in its discretion, may allow.

(6) Under unusual and compelling circumstances, the Committee, with the concurrence of the Vice President for Academic Affairs and Provost, may extend any deadlines upon written notification to the parties to the grievance or appeal.

8.05 Action by the Administration of the University

Within thirty (30) days of the receipt of the Hearing Committee recommendations and rationale, the Vice President for Academic Affairs and Provost of the University, who is ordinarily appointed by the President to act on her/his behalf, shall review the record and notify the parties to the grievance or appeal and the chair of the Hearing Committee of his/her recommendation in the case. In the event that the Vice President for Academic Affairs and Provost has been a participant in the hearing of the aggrieved faculty member or for other valid reasons, the Vice President for Academic Affairs and Provost may disqualify herself/himself and request the President to appoint another designee for said review.

If the Vice President for Academic Affairs and Provost concurs in the recommendation of the Committee that is favorable to the faculty member, no further action in the matter may be taken. If the Vice President for Academic Affairs and Provost either declines to accept a Committee recommendation that is favorable to the faculty member, or concurs in a Committee recommendation that is unfavorable to the faculty member, the faculty member may appeal to the Board for review. The appeal shall be submitted in writing to the Secretary of the Board within ten (10) days following the decision of the Vice President for Academic Affairs and Provost who ordinarily acts as the designee of the President. It shall state the decision complained of and the redress desired.

8.06 Action by the Board

The appeal shall be placed on the next regular Agenda of the Board for the consideration of the Board.

The Board in its sole discretion may grant a review, but if granted the Board shall not be required to conduct an additional hearing or hear arguments of the faculty member or counsel but may review the record of the proceedings. The Board, at its discretion, may elect to hear arguments, oral or written, by both of the principals or their representatives and may consult with the hearing Committee.

Any action taken by the Board shall be final.

8.07 Definition of Rights and Challenges in a Grievance Procedure

(1) Challenge of Committee Members:
(a) Upon the request of a party to a grievance, a member of the Committee may be removed from considering a case if deemed biased or in conflict of interest. If a member of the Committee refuses to remove herself/himself when challenged for such cause, the challenging party may appeal to the entire Committee which shall make a final determination of the challenge. A Committee member may disqualify herself/himself.

(b) If s/he so desires, each party shall have, in addition, a challenge without stated cause. A member so challenged shall not consider the case.

(2) To Present Witnesses and Supporting Materials:
   Each party involved in a grievance or appeal may: (1) submit any written materials in support of his/her position; (2) present witnesses at hearings.

(3) To Have an Advisor During the Hearing:
   (a) Each party to a grievance or appeal may be accompanied in the hearing by a nonparticipating advisor of his/her choice and may consult with the advisor throughout the hearing.

   (b) If any party chooses to have participating legal counsel present, written notification must be presented to the chair of the Committee at least five (5) days before the hearing. The chair shall then promptly notify the other parties.

(4) To Have an Observer Attend Hearings:
   At the request of any party to a grievance or appeal, or at the request of the Committee hearing the case, a representative of a responsible professional or educational association shall be permitted to attend hearings as an observer. The chair will determine the qualifications and responsibility of the association.

8.08 Access to Records of Hearings:

(1) A written record shall be made of the proceedings during hearings.

(2) Each party to a grievance or appeal shall have access to all records of the hearing and, should s/he request it, shall be furnished, upon payment of reasonable charges for transcription or reproduction, a record of the proceedings. (A copy of the official record of the proceedings, in whatever form it is made, shall satisfy this requirement.)

8.09 To Receive Expeditious Consideration:
1) The parties to any grievance or appeal have the right to expeditious consideration at all stages of these procedures.

2) The Hearing Committee is expected to formulate its written recommendation and communicate it to the parties to the grievance or appeal within ten (10) days of conclusion of the hearing.

8.10 Annual Report of the Chair of the Hearing Committee.

Each July the Chair of the Hearing Committee shall make a summary of formal grievance and appeal activities and statistics on cases in progress and those settled during the preceding year. shall send this report to the Chair of the Faculty Senate, to the Chair of the Deans' Council, and to the President of MUSC. In such a case that a Hearing Committee was not convened in the preceding year, no report will be necessary.
I. POLICY

The Medical University of South Carolina (MUSC) strives to ensure fair, consistent and equitable compensation practices for its employees. MUSC also seeks to reward exemplary performance. Under certain circumstances, MUSC may use incentives/bonuses as outlined in this policy a part of its comprehensive compensation plan. This policy applies to employees funded or employed by any MUSC entity.

II. ELIGIBILITY

This policy applies to all permanent and probationary employees and makes them eligible for consideration for an award or incentive pay increase within their respective organizational units. This policy does not guarantee nor specifically require that bonuses/incentives be used; the use of bonuses and incentives is contingent upon the respective area Vice President’s approval and upon budget availability.

Temporary and research grant employees may be eligible under the parameters set herein if funding allows for such increases.

An incentive or bonus may be used for an individual employee or groups of employees whose performance directly affects the University in part or as a whole.

MUSC may spend federal and other non-state sources of revenue to fund a bonus or incentive payment to eligible employees under this policy.

State appropriated funds may also be used as outlined in Section IV, Bonus Compensation, of this policy, but are limited to $3,000 per fiscal year.

A lump sum incentive/bonus payment is not a part of the employee’s base salary. These payments are also subject to the supplemental tax rate and are not used for retirement calculation purposes.

III. INCENTIVE COMPENSATION

A department may develop an incentive compensation plan as part of an employee’s total compensation, placing a portion of the employee’s salary at risk for the year. Specific guidelines must be developed by the department, approved in advance by HRM and be clearly communicated to the employee prior to its implementation.

The incentive plan must not exceed 5% of the employee’s base salary and will be paid as a lump sum bonus. The compensation should be determined in keeping with the organization’s pay philosophy of targeting the market median (50th percentile) as a competitive pay rate.
A. Procedure

In developing a proposal, departments should identify key performance metrics and establish "SMART" goals (Specific, Measurable, Attainable, Realistic, and Timely) for each metric and prior to the plan going into effect. The following items must be included in each proposal, using the attached form:

- Purpose
- Affected positions/employees
- Baseline/historical data
- "SMART" Target goals
- Funding
- Recommended awards/increases
- Verification/audit of data

B. Exceptions

Exceptions that target bonuses in excess of 5% will be allowed if first reviewed and approved through the respective Vice President and the Department of Human Resources. These requests must meet specific criteria that justify such exceptions. Under no circumstances will an exception be approved for increases that exceed 10% of the employee's base salary.

IV. BONUS COMPENSATION (Standard State Bonus Awards):

A. Lump sum payments, not to exceed $3,000 in a fiscal year, may be awarded after the fact to recognize one of the following:

- Contributions to increased organizational productivity;
- Development and/or implementation of improved work processes;
- Exceptional customer service;
- Exceptional patient satisfaction;
- Realized cost savings
- Recruitment and retention (requires plan specifically approved for difficult to recruit positions and the amount will be determined based on market data with Vice President and Human Resources approval).

B. Group Bonuses

A department may develop a group incentive plan by following the criteria outlined above. Group incentive awards may not exceed $3,000 per employee in a fiscal year, including any awards received as individual lump sum bonuses.
V. ORGANIZATIONAL PAY FOR PERFORMANCE

Each year a specific organizational pay for performance plan may be approved by MUSC executive leadership and the academic deans. This plan may include a provision for employees that are at or near the pay band maximum to be eligible for a lump sum bonus. Specific details will be available each fiscal year regarding this provision. Receipt of a bonus under this program does not prohibit an employee from receiving a bonus as outlined in Section IV, Bonus Compensation, of this policy.

VI. REPORTING AND EFFECTIVE DATES

All entities will provide a list of incentive award recipients and the amount of incentive received on an annual basis to the Board of Trustees. This policy will be effective upon approval by the Board of Trustees retroactively to July 1, 2008.
MEDICAL UNIVERSITY OF SOUTH CAROLINA
BOARD OF TRUSTEES
OCTOBER 3, 2008

RESOLUTION

WHEREAS, in August 2007 the Board of Trustees authorized the Medical University of South Carolina (the University) to advertise for an Energy Service Company (ESCO) performance contract estimated at $20,000,000.

WHEREAS, the University desires to enter into a financing agreement through the South Carolina Treasurer’s Office (Master Lease Program) to borrow the funds needed to purchase and implement energy conservation measures to benefit both the University and the Hospital Authority and to repay such measures over the term of eight (8) years such that the repayments fall as closely as possible to the cost savings generated.

THEREFORE, BE IT RESOLVED that the University is authorized to utilize the South Carolina Master Lease Program for the purpose of financing approximately $20,000,000 of the costs of purchasing and implementing energy conservation measures that will benefit both the University and the Hospital Authority with the understanding that debt service payments are generated from energy savings.
