Quarantine lodging coverage

As another value-add that offers a sense of security during this uncertain time, we have quarantine lodging coverage that is provided for non-taxable lodging expenses incurred by you as a direct result of being quarantined after a positive COVID-19 test. This covered expense is subject to the following conditions and limitations:

- › Benefits for lodging are available to you if Cigna determines you are required to quarantine in accordance with the Centers for Disease Control and Prevention or the World Health Organization
- › Cigna may provide coverage for quarantine lodging expenses up to a daily maximum benefit of \$284USD for up to 14 days
- › The lodging benefit may only be utilized once in a 12 month period

If you receive a positive test result, and need to utilize your quarantine lodging coverage while abroad, please complete the claims form included with your welcome kit along with proof of your positive test result. Submit both via fax, toll-free at **1.800.243.6998** or direct at **001.302.797.3150**.
