**PREFERENCES - A NOTICE TO VENDORS (SEP. 2009):** On June 16, 2009, the South Carolina General Assembly rewrote the law governing preferences available to in-state vendors, vendors using in-state subcontractors, and vendors selling in-state or US end products. This law appears in Section 11-35-1524 of the South Carolina Code of Laws. A summary of the new preferences is available at www.procurement.sc.gov/preferences. **ALL THE PREFERENCES MUST BE CLAIMED AND ARE APPLIED BY LINE ITEM, REGARDLESS OF WHETHER AWARD IS MADE BY ITEM OR LOT. VENDORS ARE CAUTIONED TO CAREFULLY REVIEW THE STATUTE BEFORE CLAIMING ANY PREFERENCES. THE REQUIREMENTS TO QUALIFY HAVE CHANGED. IF YOU REQUEST A PREFERENCE, YOU ARE CERTIFYING THAT YOUR OFFER QUALIFIES FOR THE PREFERENCE YOU'VE CLAIMED. IMPROPERLY REQUESTING A PREFERENCE CAN HAVE SERIOUS CONSEQUENCES. [11-35-1524(E)(4)&(6)]**

**PREFERENCES - ADDRESS AND PHONE OF IN-STATE OFFICE:** Please provide the address and phone number for your in-state office in the space provided below. An in-state office is necessary to claim either the Resident Vendor Preference (11-35-1524(C)(1)(i)&(ii)) or the Resident Contractor Preference (11-35-1524(C)(1)(iii)). Accordingly, you must provide this information to qualify for the preference. An in-state office is not required, but can be beneficial, if you are claiming the Resident Subcontractor Preference (11-35-1524(D)).

DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE (FEB 2015)

You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are (a) preventing the existence of conflicting roles that might bias a contractor's judgment, and (b) preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the state may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. [02-2A047-2]

DEADLINE FOR SUBMISSION OF OFFER (JAN 2004)

DUTY TO INQUIRE (FEB 2015)

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to the State's attention. See clause entitled "Questions from Offerors." [02-2A070-2]
ETHICS CERTIFICATE (MAY 2008)

By submitting an offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention: Section 8-13-700, regarding use of official position for financial gain; Section 8-13-705, regarding gifts to influence action of public official; Section 8-13-720, regarding offering money for advice or assistance of public official; Sections 8-13-755 and 8-13-760, regarding restrictions on employment by former public official; Section 8-13-775, prohibiting public official with economic interests from acting on contracts; Section 8-13-790, regarding recovery of kickbacks; Section 8-13-1150, regarding statements to be filed by consultants; and Section 8-13-1342, regarding restrictions on contributions by contractor to candidate who participated in awarding of contract. The state may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed. [02-2A075-2]

OMIT TAXES FROM PRICE (JAN 2004)

Do not include any sales or use taxes in Your price that the State may be required to pay. [02-2A080-1]

OPEN TRADE REPRESENTATION (JUN 2015)

By submitting an Offer, Offeror represents that Offeror is not currently engaged in the boycott of a person or an entity based in or doing business with a jurisdiction with whom South Carolina can enjoy open trade, as defined in SC Code Section 11-35-5300. [02-2A083-1]

If you are aggrieved in connection with the solicitation or award of the contract, you may be entitled to protest, but only as provided in Section 11-35-4210. To protest a solicitation, you must submit a protest within fifteen days of the date the applicable solicitation document is issued. To protest an award, you must (i) submit notice of your intent to protest within seven business days of the date the award notice is posted, and (ii) submit your actual protest within fifteen days of the date the award notice is posted. Days are calculated as provided in Section 11-35-310(13). Both protests and notices of intent to protest must be in writing and must be received by the appropriate Chief Procurement Officer within the time provided. See clause entitled "Protest-CPO". The grounds of the protest and the relief requested must be set forth with enough particularity to give notice of the issues to be decided. [02-2A085-2]

PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015)

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

(a) During the period between publication of the solicitation and final award, you must not communicate, directly or indirectly, with the Using Governmental Unit or its employees, agents or officials regarding any aspect of this procurement activity, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer. [R. 19-445.2010]

(b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the Using Governmental Unit during the period beginning eighteen months prior to the Opening Date. [R. 19-445.2165][02-2A087-1]

PUBLIC OPENING (JAN 2004)

Offers will be publicly opened at the date/time and at the location identified on the Cover Page, or last Amendment, whichever is applicable. [02-2A090-1]
QUESTIONS FROM OFFERORS (FEB 2015)

(a) Any prospective offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions regarding the original solicitation or any amendment must be received by the Procurement Officer no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication regarding your questions with the name of the procurement officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. [See R. 19-445.2042(B)] Any information given a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an Amendment to the solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective offerors. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question.**

(b) The State seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer -- as soon as possible -- regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition. [See R. 19-445.2140]

REJECTION/CANCELLATION (JAN 2004)

The State may cancel this solicitation in whole or in part. The State may reject any or all proposals in whole or in part. [SC Code Section 11-35-1710 & R.19-445.2065] [02-2A100-1]

RESPONSIVENESS/IMPROPER OFFERS (JUN 2015)

(a) Bid as Specified. Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.

(b) Multiple Offers. Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple offers may be submitted as one document, provided that you clearly differentiate between each offer and you submit a separate cost proposal for each offer, if applicable.

(c) Responsiveness. Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

(d) Price Reasonableness: Any offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].

(e) Unbalanced Bidding. The State may reject an Offer as nonresponsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a
reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.

(f) Do not submit bid samples or descriptive literature unless expressly requested. Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provisions of the solicitation. S.C. Code Ann. Reg. 19-445.2077(D). [02-2A105-2]

SUBMITTING CONFIDENTIAL INFORMATION (FEB 2015)

(An overview is available at www.procurement.sc.gov) For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged and confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the State may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not...
limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted
during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or
"PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade
Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or
markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as
the final contract amount, are subject to public disclosure. In determining whether to release documents, the State will
detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either
"Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and
hold harmless the State of South Carolina, its agencies, officers and employees, from every claim, demand, loss, expense,
cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the State of
South Carolina or any of its agencies, that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All
references to S.C. Code of Laws.) [02-2A125-2]

"OFFER ENCLOSED" on the face thereof. (c) If you are responding to more than one solicitation, submit each offer in a

(b) In connection with any discount offered for prompt payment, time shall be computed from the date of the invoice. If the Contractor has not placed a date on the invoice, the due date shall be calculated from the date the designated billing office receives a proper invoice, provided the state annotates such invoice with the date of receipt at the time of receipt. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or, for an electronic funds transfer, the specified payment date. When the discount date falls on a Saturday, Sunday, or legal holiday when Federal Government offices are closed and Government business is not expected to be conducted, payment may be made on the following businessday.

As used in this paragraph, the term "Agreement" means any transaction or agreement arising out of, relating to, or contemplated by the solicitation. (2) Service of Process. Contractor consents that any papers, notices, or process necessary or proper for the initiation or continuation of any disputes, claims, or controversies relating to the Agreement; for any court action in connection therewith; or for the entry of judgment on any award made, may be served on Contractor by certified mail (return receipt requested) addressed to Contractor at the address provided as the Notice Address on Page Two or by personal service or by any other manner that is permitted by law, in or outside South Carolina. (c) Notwithstanding any other provision, payment shall be made in accordance with S.C. Code Section 11-35-45, or Chapter 6 of Title 29 (real property improvements) when applicable, which provides the Contractor's exclusive means of recovering any type of interest from the Owner. Contractor waives imposition of an interest penalty unless the invoice submitted specifies that the late penalty is applicable. Except as set forth in this paragraph, the State shall not be liable for the payment of interest on any debt or claim arising out of or related to this contract for any reason. (d) Amounts due to the State shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 ("an amount not to exceed fifteen percent each year"), as amended, unless otherwise required by Section 29-6-30. (e) Any other basis for interest, including but not limited to general (pre- and post-judgment) or specific interest statutes, including S.C. Code Ann. Section 34-31-20, are expressly waived by both parties. If a court, despite this agreement and waiver, requires that interest be paid on any debt by either party other than as provided by items (c) and (d) above, the parties further agree that the applicable interest rate for any given calendar year shall be the lowest prime rate as listed in the first edition of the Wall Street Journal published for each year, applied as simple interest without compounding. [07-7A075-1]

TAXES (JAN 2006)

Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the
State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after
delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the
applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax
collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the
taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by
the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest)

subsequent fiscal period, the contract shall be canceled. In the event of a cancellation pursuant to this paragraph,
contractor will be reimbursed the resulting unamortized, reasonably incurred, nonrecurring costs. Contractor will not be
reimbursed any costs amortized beyond the initial contract term.[07-7A085-1]

THIRD PARTY BENEFICIARY (JAN 2006)

This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective

benefits under or on account of this Contract as a third party beneficiary or otherwise. [07-7A090-1]

WAIVER (JAN 2006)

The State does not waive any prior or subsequent breach of the terms of the Contract by making payments on the
Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any

DEFAULT - SHORT FORM (FEB 2015)

The state may terminate this contract, or any part hereof, for cause in the event of any default by the contractor, or if the contractor fails to comply with any material contract terms and conditions, or fails to provide the state, upon request, with adequate assurances of future performance. In the event of termination for cause, the state shall not be liable to the contractor for any amount for supplies or services not accepted, and the contractor shall be liable to the state for any and all rights and remedies provided by law. If it is determined that the state improperly terminated this contract for default, such termination shall be deemed a termination for convenience. [07-7B080-2]

Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." [07-7B097-1]

INDEMNIFICATION-THIRD PARTY CLAIMS – GENERAL (NOV 2011): Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnites for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys’ fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnifiee, and whether or not such claims are made by a third party or an Indemnifiee; however, if an Indemnifiee’s negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnifiee shall not be entitled to indemnification hereunder. Contractor shall be given timely
written notice of any suit or claim. Contractor’s obligations hereunder are in no way limited by any protection afforded under workers’ compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties’ agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, “Indemnitees” means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees. [07-7B100-2]

INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION (FEB 2015)

(a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter “action”) of any character (and all related damages, settlement payments, attorneys’ fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security - Definitions) caused in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnitee, and whether or not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.

(b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee’s failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractors ability to defend such action. Indemnitee must reasonably cooperate with contractor’s defense of such actions (such cooperation does not require and is without waiver of an Indemnitees attorney/client, work product, or other privilege) and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor’s defense of any action at its own expense. Contractor may not, without Indemnitee’s prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent (i) includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and (ii) is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee’s consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction.

(c) Notwithstanding any other provision, contractor’s obligations pursuant to this clause are without any limitation whatsoever. Contractor’s obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance.

(d) “Indemnitee” means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees. [07-7B102-1]

INFORMATION SECURITY - DEFINITIONS (FEB 2015)

The following definitions are used in those clauses that cross reference this clause.

Without limitation, the term “compromise” includes copying the data through covert network channels, or copying the data to unauthorized media, or disclosure of information in violation of any obligation imposed by this contract.

Data means a subset of information in an electronic format that allows it to be retrieved or transmitted.

Government information means information (i) provided to Contractor by, or generated by Contractor for, the using governmental unit, or (ii) acquired or accessed by Contractor as a result of performing the Work. Information system means a discrete set of information resources organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.

Public information means any specific information, regardless of form or format, that the State has actively and intentionally disclosed, disseminated, or made available to the public. **INFORMATION SECURITY - SAFEGUARDING REQUIREMENTS (FEB 2015)**

(a) Definitions. The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions. In addition, as used in this clause—

Clearing means removal of data from an information system, its storage devices, and other peripheral devices with storage capacity, in such a way that the data may not be reconstructed using common system capabilities (i.e., through the keyboard); however, the data may be reconstructed using laboratory methods.

Intrusion means an unauthorized act of bypassing the security mechanisms of a system.

Media means physical devices or writing surfaces including but not limited to magnetic tapes, optical disks, magnetic disks, portable hard drives, “thumb” drives, large scale integration memory chips, and printouts (but not including display media, e.g., a computer monitor, cathode ray tube (CRT) or other (transient) visual output) onto which information is recorded, stored, or printed within an information system.

Safeguarding means measures or controls that are prescribed to protect information.

Voice means all oral information regardless of transmission protocol.

(b) Safeguarding Information. Without limiting any other legal or contractual obligations, contractor shall implement and maintain reasonable and appropriate administrative, physical, and technical safeguards (including without limitation written policies and procedures) for protection of the security, confidentiality and integrity of the government information in its possession. In addition, contractor shall apply security controls when the contractor reasonably determines that safeguarding requirements, in addition to those identified in paragraph (c) of this clause, may be required to provide adequate security, confidentiality and integrity in a dynamic environment based on an assessed risk or vulnerability.

(c) Safeguarding requirements and procedures. Contractor shall apply the following basic safeguarding requirements to protect government information from unauthorized access and disclosure:

1. **Protecting information on public computers or Web sites:** Do not process government information on public computers (e.g., those available for use by the general public in kiosks, hotel business centers) or computers that do not have access control. Government information shall not be posted on Web sites that are publicly available or have access limited only by domain/Internet Protocol restriction. Such information may be posted to web pages that control access by user ID/password, user certificates, or other technical means, and that provide protection via use of security technologies. Access control may be provided by the intranet (versus the Web site itself or the application it hosts).

2. **Transmitting electronic information.** Transmit email, text messages, blogs, and similar communications that contain government information using technology and processes that provide the best level of security and privacy available, given facilities, conditions, and environment.

3. **Transmitting voice and fax information.** Transmit government information via voice and fax only when the sender has a reasonable assurance that access is limited to authorized recipients.

4. **Physical and electronic barriers.** Protect government information by at least one physical and one electronic barrier (e.g., locked container or room, login and password) when not under direct individual control.

5. **Sanitization.** At a minimum, clear information on media that have been used to process government information before external release or disposal. Overwriting is an acceptable means of clearing media in accordance with National Institute of Standards and Technology 800–88, Guidelines for Media Sanitization, at http://csrc.nist.gov/publications/nistpubs/800-88/NISTSP800-88_with-errata.pdf.

6. **Intrusion protection.** Provide at a minimum the following protections against intrusions and compromise:
   - (i) Current and regularly updated malware protection services, e.g., anti-virus, antispyware.
   - (ii) Prompt application of security-relevant software upgrades, e.g., patches, service packs, and hot fixes.

7. **Transfer limitations.** Transfer government information only to those subcontractors that both require the information for purposes of contract performance and provide at least the same level of security as specified in this clause.
(d) **Subcontracts.** Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement requirements at least as secure as those imposed by this clause on, any other person or entity that contractor authorizes to take action related to government information.

(e) **Other contractual requirements regarding the safeguarding of information.** This clause addresses basic requirements and is subordinate to any other contract clauses or requirements to the extent that it specifically provides for enhanced safeguarding of information or information systems.

[07-B105-1]

**INFORMATION SECURITY – LOCATION OF DATA (FEB 2015)**

Notwithstanding any other provisions, contractor is prohibited from processing, storing, transmitting, or accessing government information, as defined in the clause titled Information Security - Definitions, outside the continental United States. For clarity, this obligation is a material requirement of this contract and applies to subcontractors at any tier.

[07-B106-1]

**INFORMATION USE AND DISCLOSURE (FEB 2015)**

Except to the extent necessary for performance of the work, citizens should not be required to share information with those engaged by the government in order to access services provided by the government and such information should be used by those engaged by the government only to the extent necessary to perform the work acquired; accordingly, this clause addresses basic requirements for the Contractor’s use and disclosure of government information, which expressly includes, but is not limited to, information provided by or obtained from the citizens. Anonymizing information does not resolve the foregoing concern. This clause should be broadly interpreted to effectuate this intent. Every obligation in this clause is material. Absent express reference to this clause, this clause supersedes any other clause to the extent of any inconsistency unless and to the extent the other clause provides greater protection for government information.

(a) **Definitions.** The terms used in this clause shall have the same meaning as the terms defined in the clause titled Information Security – Definitions.

(b) **Legal mandates.** Contractor shall be permitted to use, disclose, or retain government information to the limited extent necessary to comply with any requirement imposed on Contractor by law. If it is necessary for Contractor to use, disclose, or retain government information in order to comply with a law, Contractor shall provide using governmental unit with written notice, including a description of the circumstances and applicable law, in advance of such use, disclosure or retention except to the extent expressly prohibited by law.

(c) **Flow down.** Any reference in this clause to Contractor also includes any subcontractor at any tier. Contractor is responsible for, and shall impose by agreement the requirements of this clause on, any other person or entity that contractor authorizes to take action related to government information.

(d) **Collecting Information.** Contractor must gather and maintain government information only to the minimum extent necessary to accomplish the work.

(e) **Rights, Disclosure and Use.** Except as otherwise expressly provided in this solicitation, Contractor agrees NOT to either (1) use or disclose government information, or (2) retain government information after termination or expiration of this contract. Contractor acquires no rights in any government information except the limited rights to use, disclose and retain the government information in accordance with the terms of this solicitation. To the extent reasonably necessary to perform the work, Contractor may: (i) use (including access, process, transmit, and store) and maintain the government information itself; and (ii) disclose government information to persons having a need-to-know (e.g., subcontractors).

Before disclosing government information to a subcontractor or third party, Contractor shall give the using governmental unit detailed written notice of both the reason for disclosure and the identity and location of the recipient. The notice shall be provided no later than fifteen (15) business days in advance of the disclosure.

(f) **Return.** Notwithstanding the using governmental unit’s failure to perform or the pendency of a dispute, Contractor agrees to promptly deliver to the using governmental unit (or destroy, at the using governmental unit’s option) all government information in its possession as and upon written request of using governmental unit (provided that, if the contract has not expired or been terminated, Contractor shall be excused from the performance of any work reasonably dependent on Contractor’s further access to such government information).

(g) **Privacy Policy & Applicable Laws.** Without limiting any other legal or contractual obligations imposed by this contract or the law, Contractor shall (a) comply with its own privacy policies and written privacy statements relevant to the work, and (b) comply with (1) all laws applicable to Contractor regarding government information, and (2) all laws and standards identified in the clause, if included, entitled Information Use and Disclosure – Standards.

(h) **Actions Following Disclosure.** Immediately upon discovery of a compromise or improper use of government information, Contractor shall take such action as may be necessary to preserve forensic evidence and eliminate the cause of the compromise or improper use. As soon as practicable, but no later than twenty-four hours after discovery, Contractor shall notify using governmental unit of the compromise or improper use, including a description of the circumstances of the use or compromise. As soon as practicable after discovery, Contractor shall undertake a thorough forensic
investigation of any compromise or improper use and provide the using governmental unit all information necessary to enable the using governmental unit to fully understand the nature and extent of the compromise or improper use. With regard to any compromise or improper use of government information, Contractor shall: (1) provide any notification to third parties legally required to be provided such notice by Contractor, and if not (e.g., if legally required of the using governmental unit), Contractor shall reimburse using governmental unit for the cost of providing such notifications; (2) pay all costs and expenses for at least two years of identity theft monitoring services (including without limitation, credit monitoring) and identity theft restoration services for any such affected individuals receiving notice where such services are appropriate given the circumstances of the incident and the nature of the information compromised; (3) undertake any other measures that are customary and reasonable for an entity to take when experiencing a similar disclosure, (4) pay any related fines or penalties imposed on the using governmental unit, and (5) reimburse the Using Governmental Unit all costs reasonably incurred for communications and public relations services involved in responding to the compromise or improper us. Notwithstanding any other provision, contractor’s obligations pursuant to this item (h) are without limitation.

(i) Survival & Remedy. All the obligations imposed by this paragraph are material. The obligations of this section shall survive termination or expiration of the contract. Without limiting any rights the using governmental unit may have, and notwithstanding any other term of this contract, Contractor agrees that using governmental unit may have no adequate remedy at law for a breach of Contractor’s obligations under this clause and therefore the using governmental unit shall be entitled to pursue equitable remedies in the event of a breach of this clause. [07-7B108-1]

The Procurement Officer may terminate this contract in whole or in part, for the convenience of the State. In such a termination, the Procurement Officer may require the contractor to transfer title and deliver to the State in the manner and to the extent directed by the Procurement Officer: (a) any completed supplies; and (b) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (hereinafter called "manufacturing material") as the contractor has specifically produced or specially acquired for the performance of the terminated part of this contract. Upon such termination, the contractor shall (a) stop work to the extent specified, (b) terminate any subcontracts as they relate to the terminated work, and (c) be paid the following amounts without duplication, subject to the other terms of this contract: (i) contract prices for supplies or services accepted under the contract, (ii) costs incurred in performing the terminated portion of the work, and (iii) any other reasonable costs that the contractor can demonstrate to the satisfaction of the State, using its standard recordkeeping system, have resulted from the termination. The contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided. As a condition of payment, contractor shall submit within three months of the effective date of the termination a claim specifying the amounts due because of the termination. The absence of an appropriate termination for convenience clause in any subcontract shall not increase the obligation of the state beyond what it would have been had the subcontract contained such a clause. Neither this Agreement nor Contractor’s performance of its obligations hereunder shall be construed as conferring upon
Contractor any right or license in or to the foregoing by implication, estoppel or otherwise.

b. Any products or deliverables provided by Contractor or any of Contractor’s subcontractors to MUSC pursuant to the Services (“Products”) shall be deemed to be work made for hire and MUSC shall own all right, title, and interest in and to the Products and each part and component thereof, whether or not patentable or copyrightable (including, without being limited to, results, inventions, information, materials, products, trade secrets, know-how, technical and non-technical data, discoveries, methods, processes, studies, research, test results, techniques, formulae, compounds, designs, improvements, developments, and any files, notebooks, drawings, software, computer programs, diagrams, specifications, and other documents containing or recording any of the foregoing), and any copyright therein and patent application or patent thereon. MUSC Information Security Addendum

This MUSC Information Security Addendum ("Addendum") is to that certain service agreement between the parties hereto (the "Agreement"). By way of this Addendum, the following modifications shall be made to the Agreement, which modifications shall take precedence over any conflicting terms contained in the Agreement:

I. Definitions

a. Authorized Persons. Authorized Persons include Vendor’s employees and contractors who have a specific need for such access in order to perform Vendor’s services for MUSC.

b. Industry Standards. Industry Standards include National Institute of Standards and Technology (NIST) 800 Series, NIST Cybersecurity Framework and ISO 27001, or their equivalents.

c. MUSC. MUSC includes The Medical University of South Carolina and its affiliates (including but not limited to the Medical University Hospital Authority, MUSC Physicians, and MUSC Physicians Primary Care);

d. MUSC Data. MUSC Data is any data or information owned by MUSC that Vendor creates, obtains, accesses, receives (from MUSC or on behalf of MUSC), hosts or uses in the course of its performance of the Agreement;

e. Public Data. Public Data means any specific information or data, regardless of form or format, that MUSC has actively and intentionally disclosed, disseminated, or made available to the public.

f. System. System is defined as any software or hardware that is developed, hosted or maintained by the Vendor as a part of providing services under the Agreement.

II. Service and System Security

a. System Security. Vendor shall ensure that

   i. Systems developed by Vendor are free from Illicit Code. Illicit Code is defined as any harmful or hidden programs or data incorporated therein that destroys, impairs, or maliciously appropriates the System and/or MUSC Data, thereby inhibiting or preventing MUSC from using the System as warranted, and

   ii. Using Industry Standard static and dynamic source code assessment methods, Systems developed by Vendor are free from vulnerabilities as described in (i) The Open Web Application Security Project’s (OWASP) “Top Ten Project” — see http://www.owasp.org, (ii) The CWE/SANS Top 25 Programming Errors- see http://cwe.mitre.org/top25/ or http://www.sans.org/top25-programming-errors/, or (iii) other generally recognized and comparable industry practices or standards.

b. System Maintenance and Support. Vendor shall ensure that Systems are supported, and that all patches and upgrades are provided and/or applied in a timely manner. All patches and upgrades includes third party software that Vendor’s System relies upon for its operation.

c. Remote Support. Where required, Vendor shall employ remote support via a mutually agreed upon secure connection method that includes detailed audit logs and which is limited to Authorized Persons on an as needed basis. Vendor shall provide such audit logs to MUSC as reasonably requested.

d. System Protection. To the extent that Vendor is responsible for maintaining or hosting Systems under the Agreement, Vendor shall ensure that Systems are hardened and configured according to Industry Standards, running current and regularly updated malware protection services, e.g., anti-virus and antispyware.

e. System Monitoring and Incident Response. To the extent that Vendor is responsible for maintaining or hosting Systems under the Agreement, Vendor shall monitor Systems for events which create adverse risks to the System and/or MUSC Data. Upon learning of such an event, and notwithstanding the response and notification requirements of Section IX, Vendor shall take appropriate measures to contain and eradicate the threat creating the risk, and return the System to a safe state.
III. Change Control Procedures. Unless otherwise agreed to in writing, Vendor shall only implement changes to the System, including patches, upgrades, and migrations, in accordance with mutually agreed upon change control procedures.

IV. Data Security

a. Data Protection. To the extent that Vendor is responsible for creating, accessing, transmitting, maintaining, hosting or using MUSC Data under the Agreement, Vendor shall preserve the confidentiality, integrity and availability of MUSC Data by implementing and maintaining administrative, technical and physical controls that conform to generally recognized Industry Standards. Implemented security controls shall provide a level of security which is commensurate with the sensitivity of the data to be protected.

b. Data Use and Access. Vendor shall use MUSC Data only and exclusively to support the performance of services for MUSC under the Agreement and not for any other purpose. With the exception of Public Data, absent MUSC’s prior written consent, Vendor shall not at any time during or after the term of the Agreement disclose MUSC Data to any person, other than Authorized Persons and MUSC personnel in connection with the performance of the services (except as required by law). If such disclosure is required by law, Vendor shall notify MUSC prior to such disclosure, unless such notification is prohibited by law.

c. Data Backup. Where appropriate to protect the integrity and availability of MUSC Data, Vendor shall maintain (and cause any third-party hosting company that it uses to maintain) a means to backup and recover MUSC Data in the event that the data is lost, corrupted or improperly destroyed.

d. Return of Data. Vendor shall ensure that MUSC can retrieve its data in the event the Vendor is unable to continue providing the services under the Agreement. In the event of a termination, the Vendor will provide MUSC’s information in a mutually acceptable format.

e. Destruction of Data

   i. To the extent that Vendor is charged with disposal of media that have been used to process MUSC Data, Vendor shall securely sanitize the media prior to release or disposal. Secure sanitization is that which is performed in accordance with NIST 800–88, Guidelines for Media Sanitization.

   ii. Vendor shall erase, destroy, and/or render unrecoverable all MUSC data in Vendor’s possession that is no longer required for the performance of its duties under the Agreement. Vendor shall certify in writing that these actions have been completed within 30 days of the termination of its duties under the Agreement or within seven (7) days of the request of an agent of MUSC, whichever shall come first.

V. Data Ownership. As between Vendor and MUSC, MUSC is and shall continue at all times to be the sole and exclusive owner of all MUSC Data.

VI. Vendor Security

a. Security Program. For the term of the Agreement, Vendor agrees that it has and will maintain a formal information security program which is appropriate for the types of services that it provides. Such program is and will be consistent with generally recognized Industry Standards.

b. Vendor Personnel. Vendor agrees that personnel and contractors involved with the development, maintenance and support of the System are highly qualified to handle such Systems, and that each has passed a background check.

VII. Transition Services. Upon the expiration or termination of the Agreement for any reason, Vendor shall negotiate reasonably and in good faith to agree on details of transitioning MUSC Data and Systems safely and securely. Transition services may include the need to maintain services during the transition period, conversion of MUSC Data to standardized formats, and/or transition of MUSC Data to a successor system.

VIII. Right to Security Audits. Vendor shall either, provide to MUSC on request the results of any SSAE 16 SOC 1 (Type I or Type II) or SOC 2 audit of Vendor’s services and Systems handling MUSC Data (but Vendor is not obliged hereby to conduct such an audit), or permit an agent of MUSC to conduct a similar such audit, but not more often than annually.
IX. Notification and Remediating Findings from Security Audit. Vendor agrees to timely notify MUSC of any error, flaw, inadequacy, or vulnerability identified during the course of an evaluation, audit or review that may affect the confidentiality, integrity or availability of MUSC Data. Vendor and MUSC shall develop a mutually agreeable timeline to correct any errors, flaws, or inadequacies discovered during the course of a security audit. If Vendor is unable to make such corrections or fails to do so within the agreed upon timeframe, MUSC may terminate the Agreement.

X. Security Incident and Breach Notification. Vendor agrees to notify MUSC upon, (i) learning of any event that creates a substantial risk to the confidentiality, integrity or availability of MUSC Data; (ii) involves a breach of any of Vendor’s security obligations under this Addendum, or; (iii) involves any other event requiring notification under applicable law. In such an instance, Vendor agrees to:

a. Take such action as may be necessary to preserve forensic evidence and eliminate the cause of the risk or breach. As soon as practicable after discovery, Vendor shall undertake a thorough forensic investigation of any compromise or improper use and provide MUSC all information necessary to enable MUSC to fully understand the nature and extent of the compromise or improper use to the extent known. And,

b. Notify MUSC by telephone at (843) 792-9700 and by e-mail at security-incident@musc.edu regarding such an event without undue delay and in any event within 24 hours of discovery, and

c. To the extent that the breach or incident was the fault of Vendor:
   i. assume the cost of informing all such individuals in accordance with applicable law, and
   ii. indemnify, hold harmless and defend MUSC and its trustees, officers, and employees from and against any claims, damages, or other harm related to such incident or breach.

XI. Security Incident Investigations. Vendor agrees to cooperate with MUSC in investigating a security incident, as declared by MUSC, and provide the name and contact information, of at least two (2) security contacts who will respond to MUSC in a timely manner, dependent on criticality, in the event that MUSC must investigate a security incident. Those contacts are:

Contact Names:

Applicable laws may include, but are not limited to, South Carolina Financial Identity Fraud and Identity Theft Protection Act (FIFITPA), Health Insurance Portability and Accountability Act (HIPAA), and South Carolina and federal breach notification laws.

XIII. Enforcing Compliance. Vendor shall enforce and be responsible for compliance by all its personnel and contractors with the provisions of this Addendum and all other confidentiality obligations owed to MUSC.

XIV. Accommodation of Additional Protections. Vendor agrees to comply with such additional protections as MUSC shall reasonably request from time to time.

XV. Indemnification. Vendor shall defend and hold MUSC harmless from any and all claims, liabilities, damages, or judgments involving a third party, including MUSC’s costs and attorney fees, which arise as a result of Vendor’s failure to meet any of its security obligations under this Addendum. Limitations on Vendor's liability, regardless of conflicting language elsewhere in the Agreement, shall not apply to claims related to Vendor's breach of the information security sections of this Addendum.

XVI. Intellectual Property Infringement Indemnification. Vendor shall indemnify, defend and hold MUSC harmless from any and all claims brought against MUSC alleging that the Services and/or Documentation or MUSC's use of the Services and/or Documentation constitutes a misappropriation or infringement intellectual property of any Third Party. Vendor agrees to be responsible for all costs or expenses, to include reasonable attorneys' fees awarded or resulting from any claim. MUSC shall, after receiving notice of a claim, advise Vendor of it. Limitations on Vendor's liability, regardless of conflicting language elsewhere in any Agreement, shall not apply to claims related to Vendor's misappropriation or infringement of another’s intellectual property.

XVII. Vendor Liability Insurance.
