

INTENT TO SOLE SOURCE

Medical University of South Carolina (MUSC) intends to award a single source purchase order to Northwestern University for the services to create the web-based versions of the Cochlear Implant Quality of Life (CIQOL) patient reported outcome measures. The Northwestern University patient reported outcomes measures development team has unparalleled expertise in the development and dissemination of patient reported outcome measures. The expected deliverables will be 7 short-form CIQOL that correspond to each domain, and 6 computerized adaptive test instruments that are domain specific.

This notice of intent is not a request for competitive proposals. Any responsible sources who wish to identify their interest and capability to provide these items must notify this Procurement Officer via email at kellysy@musc.edu , no later than September 27, 2019 12:00AM. Telephone responses will not be accepted. Upon receipt of the interested parties' notification, the Procurement Officer will determine whether to conduct a competitive procurement or proceed with sole source negotiations.
