## Partnership Progress

### New Partner Announcement: Medtronic

Last month we launched a new collaboration with Medtronic, among the world's largest medical technology, services and solutions companies, to fundamentally change the way health care is delivered to patients in South Carolina and beyond. The five-year agreement enables MUSC and Medtronic to jointly define and create programs to improve health care experiences and outcomes, as well as reduce costs. To learn more, click [here](#).

### Partnership Update: Siemens Healthineers

February marked the six-month milestone in a ten-year partnership between MUSC and Siemens Healthineers.

The joint oversight committee, which includes senior leadership from both organizations, met in early March and formally approved the implementation plans for four projects spanning radiology, children's and women's, and neurosciences. Stay tuned for regular

updates on partnership progress, wins and ways to stay connected. To refresh your memory on the partnership, click [here](#).

For questions related to MUSC's strategic partnerships with Medtronic and Siemens Healthineers, contact [Caroline Brown](#), Director of External Affairs and Special Assistant to the President.

## Transformation and Growth

Join the TAG movement and help us continue to lead health innovation for the lives we touch. Catalyzing transformation can be as simple as making incremental improvements to the “old ways” of doing things or proposing an idea that sparks an innovative conversation. Click below to view a short, introductory video about how we're embracing transformation and growth at MUSC.

## First Lady Spotlight

### New Year, Same Mission

As we begin a new year, it's important that we continue to think about ways to volunteer at MUSC and across the community. Fostering lifelong learning is one of MUSC's priorities, and First Lady Kathy Cole is leading by example through her commitment to Read365. Watch the below video and learn how you, too, can make a meaningful difference in a child's life.

Read365 is just one example of how you can make an impact through volunteerism. Click [here](#) to access MUSC Health's volunteer services page for more information and resources.

## Leader Spotlight

### Spearheading MUSC D&I Initiatives

**Stephanie Taylor, MPS**  
MUSC Director of Diversity & Inclusion

**DaNine Fleming, Ed.D.**  
MUSC Director of Training & Intercultural Education

Leading health innovation is not possible without having diversity of thought and background embedded within the fabric of our MUSC family. Stephanie Taylor, MPS, and Dr. DaNine Fleming are leading many of these meaningful initiatives. Click [here](#) to read more about how these two leaders are paving the way for our institution and for diversity and inclusion.
