Item 6: MUSC Medical Center Status Report

Mr. Smith briefed the committee on statistical information for the Medical Center reporting admissions are up 8.3%, Operating Room cases are up 6.5%, MRI and CT procedures are up approximately 14%, and Heart Cath procedures are up 4.9%.

Mr. Smith reported on the MUSC Excellence Pillars and progress towards meeting goals.

Mr. Smith briefed the committee on the Clinical Enterprise Naming Structure for not only the new hospital facilities but for existing facilities as well. The goals of the Clinical Enterprise Naming Structure are to enhance the reputation of the institution, to encourage an increase in patients, and to enhance wayfinding so the patients easily get to
where they need to go. After many discussions and extensive testing done to determine a name for the MUSC clinical enterprise, MUSC Health is now the umbrella brand for the clinical enterprise. MUSC Health encompasses the three health care entities – MUSC Medical Center, MUSC Specialty Care and MUSC Carolina Family Care. The new hospital is named the Ashley River Tower. Mr. Smith reported there is still some discussion on what to call the existing hospital. One option is Main Hospital. Additional naming opportunities will be considered as future phases of the replacement project open.

Action: Reports received as information.

Item 7: MUSC Medical Center Financial and Statistical Reports

Lisa Montgomery briefed the committee on the financial status of the Medical Center. She reported they were a little behind in the budget due to expenses related to the new hospital as well as design costs for the new garage. There is an increase in net assets through February 2007 of 21.6M with 34.2 days of cash on hand. She also reported most of the benchmarks are better than 50% of our university peers with a few being better than 75%.

Action: Received as information.

Item 8: Major Purchases

Ms. Lisa Montgomery requested approval for major purchases of replacement physiologic monitoring systems for CCU, CTICU, and STICU.

Action: Recommend approval.

Item 9: Report on Quality

Dr. Pat Cawley briefed the committee on the creation of a Medical Emergency Team which will respond when a “hospitalized patient has deteriorated... to the point where there is an imminent risk of serious harm.” The MET will consist of a RT, RN, and MD. Individuals will be trained extensively on the rationale for the team, the various team roles, and what to do and when to do it.

Action: Report received as information.

Item 10: Report of Vice President for Medical Affairs and Dean, College of Medicine

No report.
Item 11: Report on University Medical Associates

Dr. John Feussner reported on the University Medical Associates outreach initiatives and expansions of current programs around the Charleston and Grand Strand areas. These initiatives include adding pediatric care to existing school based activities at Burns Elementary and North Charleston High School. Two additional sites in Mt. Pleasant and Walterboro have been added to the Psychiatry nursing home outreach initiative bringing to 5 the number of sites for Psychiatry. Cardiology EP services have been expanded in the Grand Strand area. The ENT-Neurology collaboration in East Cooper is being replicated in the North Area and the Neurosciences-Orthopedics collaboration in East Cooper is expanding.

Action: Report received as information.
