OLD BUSINESS: None.

NEW BUSINESS:

Item 5. General Informational Report of the President.

Statement: Dr. David Cole called on Dr. Pat Cawley who introduced Ms. Katie Hinson, who gave a presentation on Arts in Healing. Katie Hinson is a board certified and registered Arts Therapist and is the Program Coordinator for the Arts in Healing Program at MUSC. Ms. Hinson shared the mission and vision of the Arts in Healing program and gave an overview of clinical services provided which include art, music and dance therapy, among others. She emphasized the importance and involvement of
volunteers in the program and discussed how arts therapy is incorporated into the design and curation of MUSC’s facilities. She discussed the work of clinical creative arts therapists with both children and adults and gave examples of why patients may be referred to the arts therapy programs. She also shared some successes with patients when applying various types of arts therapy.

Dr. David Cole gave an update to the Board and highlighted some of the current initiatives and recognition across the MUSC Enterprise. A few of the highlights are listed below.

- **Academics:**
  - College of Medicine had 99% of 167 first-time applicants successfully matched to a residency position; the national match rate was 93.9%. 55 students will remain in South Carolina and of those, 40 will stay with MUSC. The Class of 2019 includes 8 students who will enter military residencies.
  - College of Pharmacy’s residence match ranked in the top 20% of PharmD programs.

- **Faculty Awards:**
  - Raymond N. DuBois, M.D., Ph.D., FAACR recognized by The American Association for Cancer Research (AACR) with the 13th Margaret Foti Award for Leadership and Extraordinary Achievements in Cancer Research.
  - Stephen Gadomski, an MSTP student finishing his 2nd year of med school, was awarded the Gates Cambridge Scholarship. He will go to the University of Cambridge and complete his Ph.D. there and then return to MUSC to complete med school.

- **MUSC Health:**
  - Successfully completed the acquisition of 4 CHS-affiliated hospitals March 1
  - Opened the MUSC Children’s Health R. Keith Summey Medical Pavilion April 1 and the new Daniel Island multispecialty office.
  - MUSC’s Telehealth program received a national award from the American Telehealth Association.

- **External Affairs:**
  - In late February, MUSC launched a new collaboration with Medtronic, one of the largest medical technology companies in the world.

- **Finance and Administration:**
  - Financing secured through the State Treasurer’s Office last month with a “notice to proceed” issued to Ameresco. This project is anticipated to create energy savings of approximately $2.5M - $3M annually.
  - Received phase I approval from CHE, JRBC, SFAA for the BSB/Library Renovation project.

- **Communications and Marking:**
  - The MUSC Access advertising campaign recently won Best of Show at the 2019 American Advertising Awards local competition in Birmingham, Alabama.

Item 7.  Medical University Hospital Authority Status Report.

Dr. Pat Cawley, CEO, MUSC Health, gave a report focused on organizational wins in the health system since the last board meeting; an update on year-to-date 2019 goal performance, and, an update on the acquisition of the four new hospitals.

Wins focused on significant telehealth expansion in the last few months. Additional organizational wins will be covered by Dr. Danielle Scheurer, Matt Wain, and Dr. Mark Scheurer in their presentations to the board.

In the update on 2019 goals, overall performance is 3.37. Weighting of the goals was briefly reviewed. Every pillar goal is in the green (meeting goal) except for Service. There are good operational plans for the areas in “yellow” and “red” in the Service pillar.

As part of the update on 2019, the board was given an early look at FY2020 goals with a focus on newer goals in Quality/Safety, Finance, Growth and Innovation. These will be finalized as recommendations and brought to the board in the next few months for approval.

An update was given on the four-hospital acquisition from Community Health Systems. Overall, the process has gone smoothly. There are a lot of teams working on different elements. It was pointed out that we will call the new hospitals the MUSC Health Regional Health Network.

Recommendation of Committee: Report received as information.

Item 8.  Medical University Hospital Authority (MUHA) Financial Report.

Ms. Lisa Goodlett, Chief Financial Officer, shared operating results through February 2019 and year-to-date for MUHA. Ms. Goodlett reported that Days in A/R are at 55 days and we are driving toward a target below 50 days as we become more efficient and will expect same from the CHS hospitals. Debt service coverage ratio is 2.81 compared to HUD requirement is 1.4. Days Cash on hand trending upward but may fall a little short of this
goal due to non-cash items. Ms. Goodlett also gave a brief financial update on the new regional health system including the proposed budget for the remainder of FY19.

Recommendation of Committee: Report received as information.

Item 9. Housing and Urban Development (HUD) Application Approval.

Ms. Lisa Goodlett requested approval of a MUHA resolution to submit an application for 242/223(f) mortgage insurance; to enter into a HUD regulatory agreement and to abide by certain standard covenants as MUHA currently does today; and to approve the feasibility study to accompany the application.

Recommendation of Committee: Recommend approval.

Dr. Danielle Scheurer, Chief Quality Officer, gave the quality and patient safety report. Wins included successful Pediatric Level I Trauma center verification, and acceptance of 7 new Baldrige federal examiners (these include Danielle Scheurer, Steve Vinciguerra, Dr. David Louder, Dr. Alice Boylan, Lauren Parnell, Stephanie Taylor, and Brady Alsaker). The team submitted a state award application in February 2019 and should hear soon about a summer site visit. Goal performance is going well, with a score of 3.2 on a 5 point scale, which is expected to improve more before the end of June. Lastly, quality collaboration for the new community hospitals is going very well.

Recommendation of Committee: Report received as information.

Item 11. Update on MUSC Physicians.

Dr. Dirk Elston, President, MUSC Physicians, gave an update on actions of MUSC Physician executive committee since the last Board of Trustees meeting and requested approval for the Department of Urology to purchase of a video urodynamic system for the MUSC Health East Cooper clinic. Item 25. Women and Children’s Health Clinical Overview

Dr. Shumyle Alam, Professor, Urology, gave a presentation on complex pediatric urology. Complex pediatric urology is considered a taboo subject and it is not something that sells nor that people understand like heart surgery or leukemia. Dr. Alam shared examples of complicated cases including mermaid disease that affects 1 in 35 million children. Dr. Alam commented that there are also multiple social and psychological issues with these patients. MUSC’s program is complex urology bowel and bladder management, plus, plus, plus. Prior to the 1970s a child with complex bowel or bladder issues lived an average of one to two decades and usually died of sepsis or kidney failure. He discussed the holistic and team approach and shared the range of stakeholders that can be involved in the care of these patients. Dr. Alam reported that the majority of referrals come from other patients or self-referrals and the lowest amount come from physician referrals. Resources needed include extended OR time; extensive pre-op preparation and strong family commitment. Dr. Alam reported that the average physician who cares for pediatric complex urology patients sees an average of 4 to 5 cases per year and he has seen 9 since his arrival in September. The Board commended Dr. Alam for his work in caring for these patients and applauded him for outstanding presentation.
