\* Note: These figures represent patrol activities and other initiatives that cannot be attributed to any other category or charged to the University, the Medical Center, or Charleston Memorial Hospital, and have been, in the past, charged to the University. Due to significant technological improvements resulting in more accurate data collection in all other categories, these figures have been backed out for 2000 and beyond. The net effect will be more accurate attribution of calls for service.

\* Note: As of January 2009 Patrol have been removed from Misc Responses.

\* Note: As of January 2016 CMH and UMA are no longer being tracked
