<sup>1</sup> State Health Plan subscribers who use tobacco or cover dependents who use tobacco will pay a \$40 per month premium for subscriber-only coverage. The premium is \$60 for other levels of coverage. The premium is automatic for all State Health Plan subscribers unless the subscriber certifies no one he covers uses tobacco, or covered individuals who use tobacco have completed the Quit For Life<sup>®</sup> tobacco cessation program.

<sup>2</sup> If the Medicare Supplemental Plan is elected, claims for covered subscribers not eligible for Medicare will be based on the Standard Plan provisions.
