## SCRS Retirement Checklist

Name: \_\_\_\_\_ Employee ID: \_\_\_\_\_ Department/Contact: \_\_\_\_\_

### Employee:

I am aware that my last day employed will be \_\_\_\_\_ and my date of retirement will be \_\_\_\_\_.

I may be paid out up to 360 hours of unused annual leave to use towards my AFC and 720 hours of sick leave towards my service credit. Sick leave cannot be used to meet retirement eligibility.

Retirement checks are paid on the last working day of the month. The first check or two may be mailed to me and future checks will be deposited into the bank account I have elected.

Retirees are eligible for an incidental death benefit based on their total years of service credit. There is no cost to the retiree.

- SCRS: 10-19 yrs = \$2,000 / 20-27 yrs = \$4,000 / 28+ yrs = \$6,000

I will receive an "estimate" of my retirement benefit once PEBA Retirement receives my application. The initial estimate will not include any annual or sick leave that I have. MUSC will report the leave to PEBA Retirement upon the processing of my last paycheck and annual leave payout, which will prompt PEBA Retirement to generate a "finalized estimate" of my retirement.

If all beneficiaries predecease the retiree, the annuity reverts to Option A, effective on the date of the last beneficiary died.

For Options B and C, if the retiree has a change in marital status he/she may select a new payment plan and/or beneficiary within five years of the change in marital status. Change is effective the first of the month in which the form is received. A retiree may only make a maximum of 2 changes to their beneficiary option.

Retired SCRS plan members who retired with 28 years of service or on or after their 60th birthday are eligible for Cost of Living Adjustments (COLAS) the second July 1 after their date of retirement. However, SCRS plan members who retired under early retirement provisions at age 55 with 25 years of service are not eligible for COLAs until the second July 1 after they reach age 60 or the second July 1 after the date they would have attained 28 years of service credit had they not retired. Eligible retirees should receive a benefit adjustment of 1 percent of their annual annuity up to a maximum of \$500 effective each July 1, based on current state legislation.

If a retiree returns to work after for any employer who participates in the PEBA Retirement plans, their retirement benefit will be subject to an earnings limitation. Once the retiree earns \$10,000 from their employer, their retirement benefit will cease for the remainder of the calendar year; retirement benefits will resume the following calendar year subject to the same limitation. The \$10,000 limitation does not apply if the retiree was at least 62 years of age on the date of their retirement.

If I am eligible for Retiree health, dental and/or vision insurance, my Benefits Counselor has given me the **Retiree Notice of Election (NOE)** and the **Employment Verification Form**. These forms need to be mailed to PEBA Insurance within 31 days of my retirement date. Premiums for these insurances may be paid from my retirement paycheck, deducted after taxes are calculated and will be pre-deducted for the following month's coverage.

**Retiree Insurance Premiums**-If you are scheduled to receive a pension check from **PEBA Retirement Benefits**, your insurance premiums will be deducted automatically from the first check you receive. If your insurance goes into effect before you receive your first pension check, PEBA will mail a billing statement to you for the insurance.

For example, your insurance is effective January 1 and you are scheduled to receive your first pension check on January 31, you will receive a bill for January. Since premiums are deducted in advance, the premiums for February will be deducted from January 31 pension check.

If my spouse and/or I are of Medicare age, we must contact Social Security/Medicare to determine when to enroll in Part B. Contact Medicare at 800-MEDICARE if you have additional questions.

The Affordable Care Act requires employers to offer coverage to all employees who work an average of 30 hours a week. Because of this federal law, if you return to work at MUSC as a retiree employed in a temporary position, and you average 30 hours, you could be eligible to keep benefits through MUSC. **If you and/or your spouse are eligible for Medicare, you are required to keep your benefits through MUSC based on the federal law governing Medicare enrollment.**

Retirees are eligible for enrollment changes to health, dental and/or vision. PEBA will send communications regarding enrollment options.

I have the option of converting/continuing my optional term life insurance within 31 days of my retirement. My retiree coverage will end on January 1 following my 75th birthday. I can also convert my coverage to a whole life policy, which is a permanent form of life insurance. I may be able to continue my insurance coverage and pay premiums directly to MetLife. MetLife will mail me a conversion/continuation packet. Packets are sent via U.S. mail three to five business days after MetLife receives the eligibility file from PEBA. To continue my coverage, I will complete the form that will be included in my packet from MetLife. Metlife can be reached at 888-507-3767.

Employees are still allowed to continue making contributions to their MSAs on an after-tax basis through COBRA. If an employee continues to make contributions to his MSA, you can use it through the end of the current plan year, including the grace period. The grace period is March 31<sup>st</sup> of the following plan year. If you do not continue his contributions after you leave employment, you have 90 days to submit a claim for any services you received before you left your job. If you are enrolled in a Dependent Care Spending Account, you cannot continue contributing to the account. You can only request reimbursement for eligible expenses incurred while you were employed until the account is exhausted. Please contact the MSA/DCA vendor ASI FLEX if you have any additional questions at 833-726-7587.

I understand that should my department propose that I be rehired, they must first submit a Position Justification Form to HR to be approved by the Provost or respective VP.

I am aware that I may (or may not) be rehired by my department as a Retiree. If my department rehires me as a Retiree, they must indicate on the *Notice of Separation* that I am a Retiree returning to work on: *month/day/year*. I must have at least a 30 **calendar day** break in service before returning to work. I am considered a retiree and I am employed in an at-will status with no grievance rights or faculty tenure. Faculty, Nurse Practitioners, and Physician's Assistants will not have any malpractice insurance during this break. I should also sign a *Statement of Understanding-Post-TERI/Post-Retiree* regarding my re-employment in a temporary position.

Per HR Policy 51 all Post Retirement employees returning to work will be employed in a temporary position. Temporary employees are typically\* not eligible for benefits, annual leave, sick leave or holidays. I am required to continue participating to the SCRS plan if I return to work in any position. Temporary employees are required by State guidelines to take a 15 calendar day break after one year of temporary employment, however, temporary returned retirees at MUSC are exempt per MUSC Legal Counsel. (\*temporary employees could be eligible for insurance benefits under the ACA if they have worked enough hours- email [benefits@musc.edu](mailto:benefits@musc.edu) for further assistance).

If I return to work, my contributions to my supplemental retirement plan will continue if Payroll knows that I will be returning to work. Otherwise, I must contact the Benefits Office directly at [benefits@musc.edu](mailto:benefits@musc.edu) to resume the contributions.

**Please communicate the following information with your Business Manager:**

A *Notice of Separation* form or Teamworks separation must be sent to HR. The transaction should reflect the appropriate Retirement reason (Early or Regular).

Per HR Policy 39, Employees who resign in good standing should submit their resignations in writing to their supervisors with a minimum of two (2) weeks' notice for non-exempt (hourly paid) employees or thirty (30) days' notice for exempt (monthly paid) employees. *University HR recommends that you notify the department of your intended retirement date thirty (30) days in advance for planning purposes.*

Should you be rehired, your department must also submit a PEAR to rehire you and submit a NetId Extension Request Form if they approve your email and/or NetID to remain active during this break.

If you will be rehired in your department as a Retiree, a Statement of Understanding must be signed by you, the employee. The form will be provided to you by your Business Manager. A returned retiree is also required to complete all steps required for new hires, including background check, health screening and all required paperwork. You will be asked to complete new hire paperwork and submit a driver's license and social security card.

## Medicare Special circumstances (Special Enrollment Periods)

If you and your spouse are of Medicare age, you must contact the Social Security/Medicare to determine when to enroll in Part B. Contact Medicare at 800-MEDICARE if you have additional questions.

Once your Initial Enrollment Period ends, you may have the chance to sign up for Medicare during a Special Enrollment Period (SEP). If you're covered under a [Group health plan](#) based on current employment, you have a SEP to sign up for Part A and/or Part B anytime as long as:

- You or your spouse (or family member if you're disabled) is working.
- You're covered by a group health plan through the employer.

You also have an 8-month SEP to sign up for Part A and/or Part B that starts at one of these times (whichever happens first):

- **The month after the employment ends**
- The month after group health plan insurance based on current employment ends

When you retire, if you are still eligible for state retiree insurance Medicare will become your primary insurance and the state insurance will be secondary. If you are not eligible for state retiree insurance Medicare will still be primary.

Usually, you don't pay a late enrollment penalty if you sign up during a SEP. In order to apply for Medicare in a Special Enrollment Period (SEP), you must have or had group health plan coverage within the last 8 months through your or your spouse's current employment.

Complete the Enrollment form for [Medicare Part B](#).

Submit your enrollment form along with the Request for Employment Verification form (on the next page) to your local Social Security Office. Find your local office here: [www.ssa.gov](http://www.ssa.gov).

## Retirees

If you are eligible for retiree group insurance when you retire, you may choose to continue or convert your life insurance through MetLife. Retiree life insurance coverage does not include Accidental Death and Dismemberment benefits. Optional Life coverage is eligible for conversion or continuation; Basic Life and Dependent Life coverage are eligible for conversion.

PEBA sends a bi-weekly file with employee status changes to MetLife. MetLife will use this information to mail a conversion/continuation packet to eligible retirees. Packets are sent via U.S. mail three to five business days after MetLife receives the file.

The continuation and conversion application period is time-sensitive. You have 30 days from the date your coverage as an active employee ends to continue coverage. You have 31 days from the date your active employee coverage ends to convert coverage. If you miss these deadlines, you will forfeit your right for retiree group life insurance.

If you have questions about your options for life insurance in retirement, contact MetLife at 888.507.3767 once you receive your conversion/continuation packet.

### Continuation

You may continue your Optional Life coverage upon retirement. The [rates](#) match what you paid while you were an employee.

The minimum amount that can be continued is \$10,000. You cannot increase your coverage, but you can decrease it. Rates are based on your age and will increase when your age category changes. Your coverage will reduce at ages 70, 75 and 80. When your coverage reduces or ends, you can convert the amount of reduced or lost coverage within 31 days as described in the Conversion section below.

MetLife will mail you a conversion/continuation packet. Packets are sent via U.S. mail three to five business days after MetLife receives the eligibility file from PEBA. To continue your coverage, follow the instructions included in your packet from MetLife. Coverage must be continued within 30 days of the date of coverage is lost due to approved retirement or approved disability retirement.

If you have questions about your options for continuing your insurance coverage once you receive your conversion/continuation packet, contact MetLife at 888.507.3767. If you continue your coverage, you will receive a bill and pay your premiums directly to MetLife.

### Retiree life insurance beneficiary designation

When you elect to continue your Optional Life coverage upon retirement, you will need to designate a beneficiary on the *Retiree Life Continuation Enrollment Form* that you receive in your conversion/continuation packet from MetLife.

Once you are enrolled, you may review or update your beneficiary designation information by visiting MetLife's website at [metife.com/mybenefits](https://www.metlife.com/mybenefits). Register and create your own unique user ID and password. Using the website will allow you to make designations quickly and easily, limiting paperwork and speeding up processing time.

### Conversion

You may convert your Basic, Optional and Dependent Life coverage upon retirement to an individual whole life insurance policy, a permanent form of life insurance, without providing evidence of insurability. Your premium for the new policy will be set at MetLife's standard rate for the amount of coverage that you wish to convert and your age. You may not apply for more than the amount of life insurance you had under your terminated group life insurance.

MetLife will mail you a conversion/continuation packet. Packets are sent via U.S. mail three to five business days after MetLife receives the eligibility file from PEBA.

MetLife has contracted with Massachusetts Mutual Life Insurance Company (MassMutual) to help with converting coverage. To apply, contact MassMutual at 877.275.6387 and refer to the *Conversion Notice* included in the packet. The policy will be issued without medical evidence if you apply for and pay the premium within 31 days. If you miss the deadline, you will forfeit your right to convert your life insurance.
