### MUSC Disclosure of Copyrightable Work

This form is used to disclose original works which may qualify for copyright protection. These works include, but are not limited to, videos, webpages, and software. **To disclose a mobile application, please use the MUSC Disclosure of Mobile Application form.**

#### 1. Detailed Information on Creators:

[Creators are those individuals who contribute to the look and feel of the Work. Please provide name, department, full home address with city and zip code, country of citizenship, and email address. Include non-MUSC personnel. Space for additional inventors is provided at the end.]

	Creator #1	Creator #2	Creator #3
Name			
Position			
Department			
MUSC Office Location			
E-mail Address			
Work Telephone			
Home Address (include city & zip code)			
Home Telephone			
Citizenship			

2. **Title of Work:** [Title should be sufficiently descriptive to identify the Work yet not reveal unique unpublished details.]

#### 3. Do any of the creators have VA “eighths” or a research contract (WOC or DAP)?

If so, who has the appointment, what type of appointment is it and when was the eighths/contract effective? [Note that admitting privileges do not constitute eighths or research contracts]

**IMPORTANT:** VA requires completion of their own Reporting of Invention form and Certification of Reporting for Inventions to be forwarded to them separately. You may download these forms from the FRD site at

<https://research.musc.edu/resources/frd/for-inventors/disclosures>

#### 4. Was Federal Funding used to support the conception or actual practice of this Work?

If so, list Contract Name, Grant/Contract No., Date of Award and PI

### MUSC Disclosure of Copyrightable Work

4a. What other sources of funding (corporate sponsored research, foundation funding, internal awards, etc.) were used to support the conception or actual practice of this Work?

**5. Description of Work** [Please summarize your Work describing the unique characteristics and advantages over existing technology.]

**6. Potential Commercial Use of Work** – How do you see the public using the Work? What further research and development is necessary before your Work can be used by the public? What are your thoughts about how this Work could be commercialized? Do you know of any companies that would be interested in licensing this technology?

**7. Disclosures of the Work**

Check any prior disclosures or anticipated disclosures, either written or oral, of the Work:

- Abstract(s)**    **Publication(s)**    **Grant application(s)**    **Presentation(s)**    **Other**  
 **None**

For each disclosure, provide the following information as appropriate in the space below:

If **PUBLISHED (PAPER, ABSTRACT OR ON-LINE)**, include all journal citations and attach a reprint. If **NOT YET PUBLISHED OR PRESENTED, INDICATE ANY DATE AND PLACE WHERE YOU PLAN TO DISCLOSE THIS WORK.**

**8. Was this Work developed using source material that may be protected?**

**9. If software or web-based Work, what platform/code was used for development? Please list any 3<sup>rd</sup> Party Code, including open source code, the location of the license, and the webpage for download (if applicable).**

**10. Distribution of the Work** – Has the Work been shared with any non-creator, either by posting online or providing a copy to them?

### MUSC Disclosure of Copyrightable Work

**Signatures:** If possible, please have all parties sign and date this form. **DO NOT DELAY** submitting this Disclosure of Copyrightable Work if all parties are not readily available. **SUBMIT** now and follow up with the signed version.

As indicated by their signatures below, the following individuals acknowledge that they have reviewed and understand the Medical University of South Carolina's Intellectual Property Policy; and, to the extent applicable, do hereby assign their individual rights and ownership in this invention, creation, or discovery to the Medical University of South Carolina; and agree that any copyrightable work that the Medical University of South Carolina is entitled to claim ownership of under the Intellectual Property Policy shall be treated as a work for hire. Further, the following individuals acknowledge and agree that the MUSC Foundation for Research Development may, in its sole discretion, administer, protect, license, or otherwise use or exploit this work for the benefit of the Medical University of South Carolina, MUSC Foundation for Research Development, and the individual creators. The following individuals acknowledge and agree that all Creators have been included herein and, pursuant to the Intellectual Property Policy, all Creators will receive an equal distribution of revenues absent a written agreement to the contrary.

Signatures below certify that all information provided in this disclosure is true and accurate to the best of the undersigned creator's knowledge.
